IN THIS ISSUE: *Sci-Fi/Fantasy*

SCI-FI
FANTASY

The comics have long been mining the twin genres of Sci-Fi and Fantasy for decades, and that is still the case today, with dozens and dozens of strong, well-written, masterfully illustrated graphic adventures released every month. To celebrate the Sci-Fi and Fantasy genres, we've peppered this issue with some great titles, new and classic, that would make just about any fan's recommended SF/F reading list. Any of these selections will make for a perfect "great escape" for those crisp fall evenings, just look for the SF/F icon throughout this issue!

FLIPSIDE: *Indie Edge Sci-Fi/Fantasy Extras*

This month, in honor of our Sci-Fi/Fantasy theme, we present a bumper crop of Indie Edge profiles with some of today's hottest creators, all of whom are working in our theme genres! Look for interview/profiles with Rick Loverd (*Venus* from BOOM! Studios), Paul Jenkins (*Replica* from Aftershock), and comics' own sweethearts, Amanda Conner and Jimmy Palmiotti (*Super Zero* from Aftershock)!

PREVIEWS HALLOWEEN SPOOTAKULAR!

EDITOR'S *note*

How's it going folks? Here we are. Summer is over, and it's October already. Not really. It's early September, and we just spent almost an hour standing in the blazing, 92° sun in our parking lot following a quick evacuation of the building due to an emergency situation that turned out to be nothing really. But standing out in that heat made me realize that I am ready for fall weather and Halloween. They are just around the corner, and it will be great to shake off this heat for a few months.

And speaking of Halloween, we'll once again be sponsoring Halloween Comic Fest, our annual celebration of comic books and spooky stuff, hosted by your local comics shop. We're listing all the great full-sized and mini-comics that will be available for free from participating retailers on Saturday, October 24th 2015, and you can find them all starting on page 23 of this issue. And remember, you can make your own house the "coolest house on the block" this October 31st by offering mini-comics to your trick-or-treaters! They're all available in bundles of 25 and are a great alternative to candy. Or a great add-on to candy, depending on how awesome you want to be this Halloween!

Also in this issue, we're once again celebrating SCI-FI/FANTASY Month, pointing out some great new and classic titles that take you to new lands and weird worlds. And on our *FlipSide*, we've got some Sci-Fi/Fantasy Indie Edge profiles from a bunch of talented writers and artists who are taking readers to new realms of Sci-Fi and Fantasy!

That does it for me this month. I hope you all had a great summer, and are ready for things to chill out for a while. I know I am!

Your Pal @ ***PREVIEWS***,

Marty

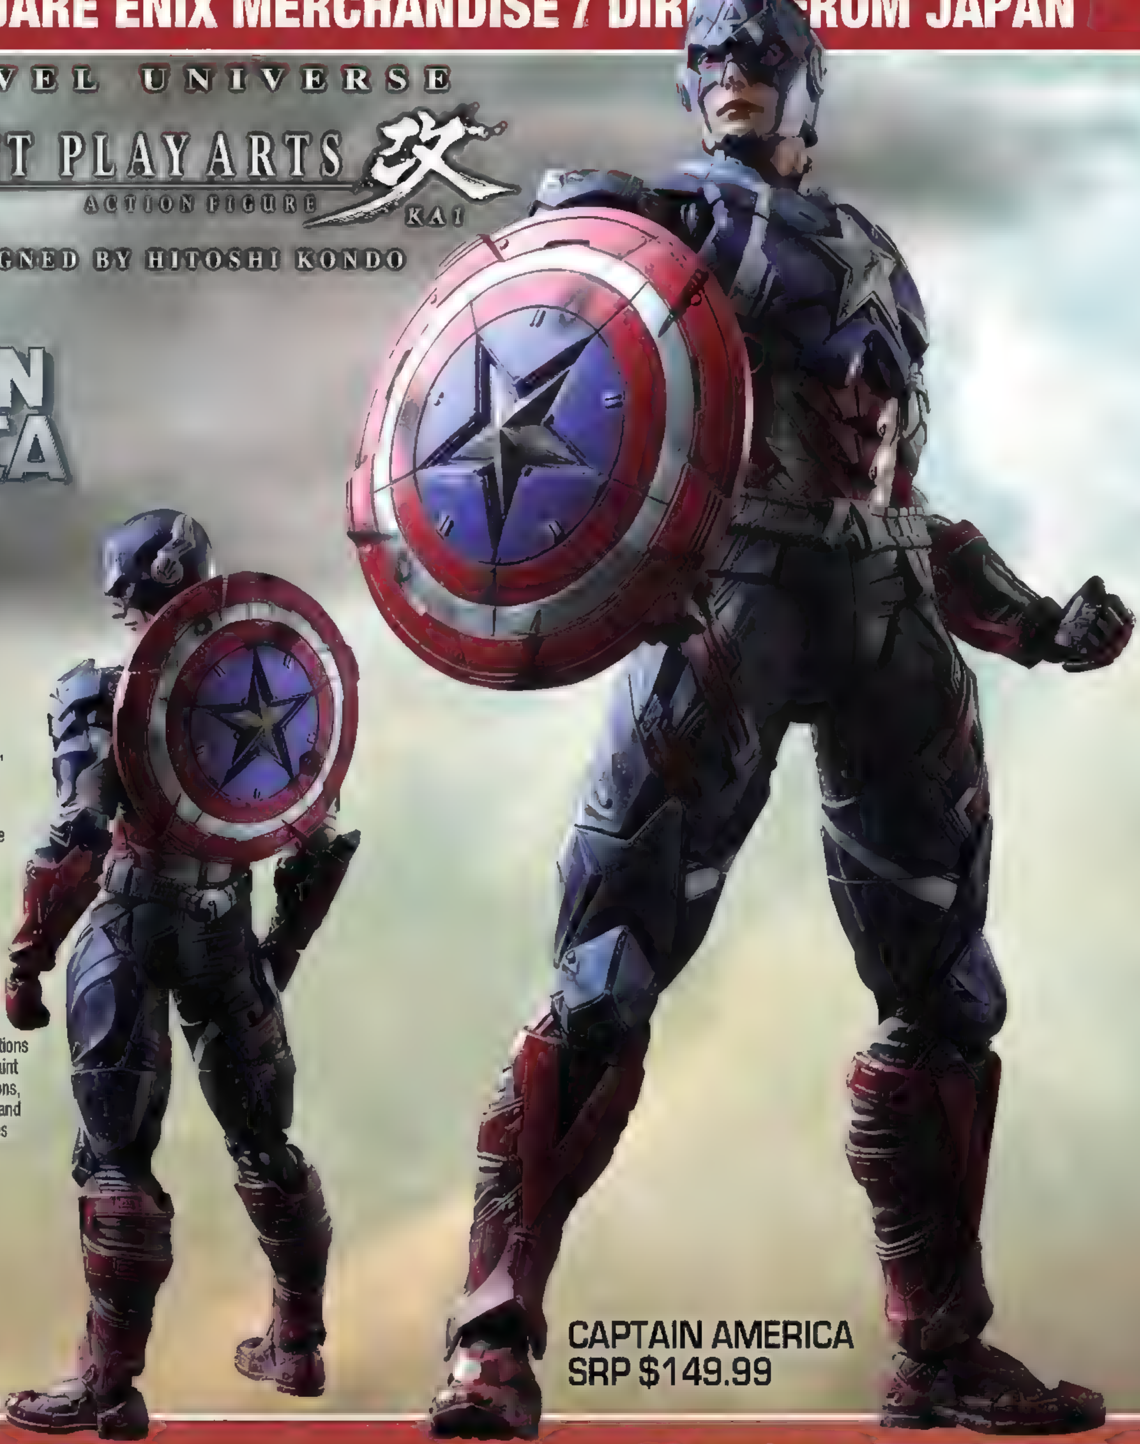
CAPTAIN AMERICA

Release: DEC 2015



SUPER HEROES RE-IMAGINED BY PLAY ARTS KAI CRAFTSMANSHIP.

Clad in a star-spangled red, white and blue, Captain America is the embodiment of patriotism. His iconic costume gets our distinctive variant touch and is rendered in the form of a protective armor to showcase and elevate his awe-inspiring presence. His signature round shield maintains its classic colors, and can be placed either in his hand or on his back with ease. The joints have a wide range of motion for dynamic posing, including him wielding his shield as a projectile weapon, giving you the option of recreating Captain America's characteristic moves. The paintwork is very realistic as well, evoking the gritty situations the Cap had gone through: chipping of the paint from fierce battles, burn marks from explosions, remnants of dirt and grime. These elements and a modern interpretation of the character takes this action figure to another level!

Figure includes display stand.

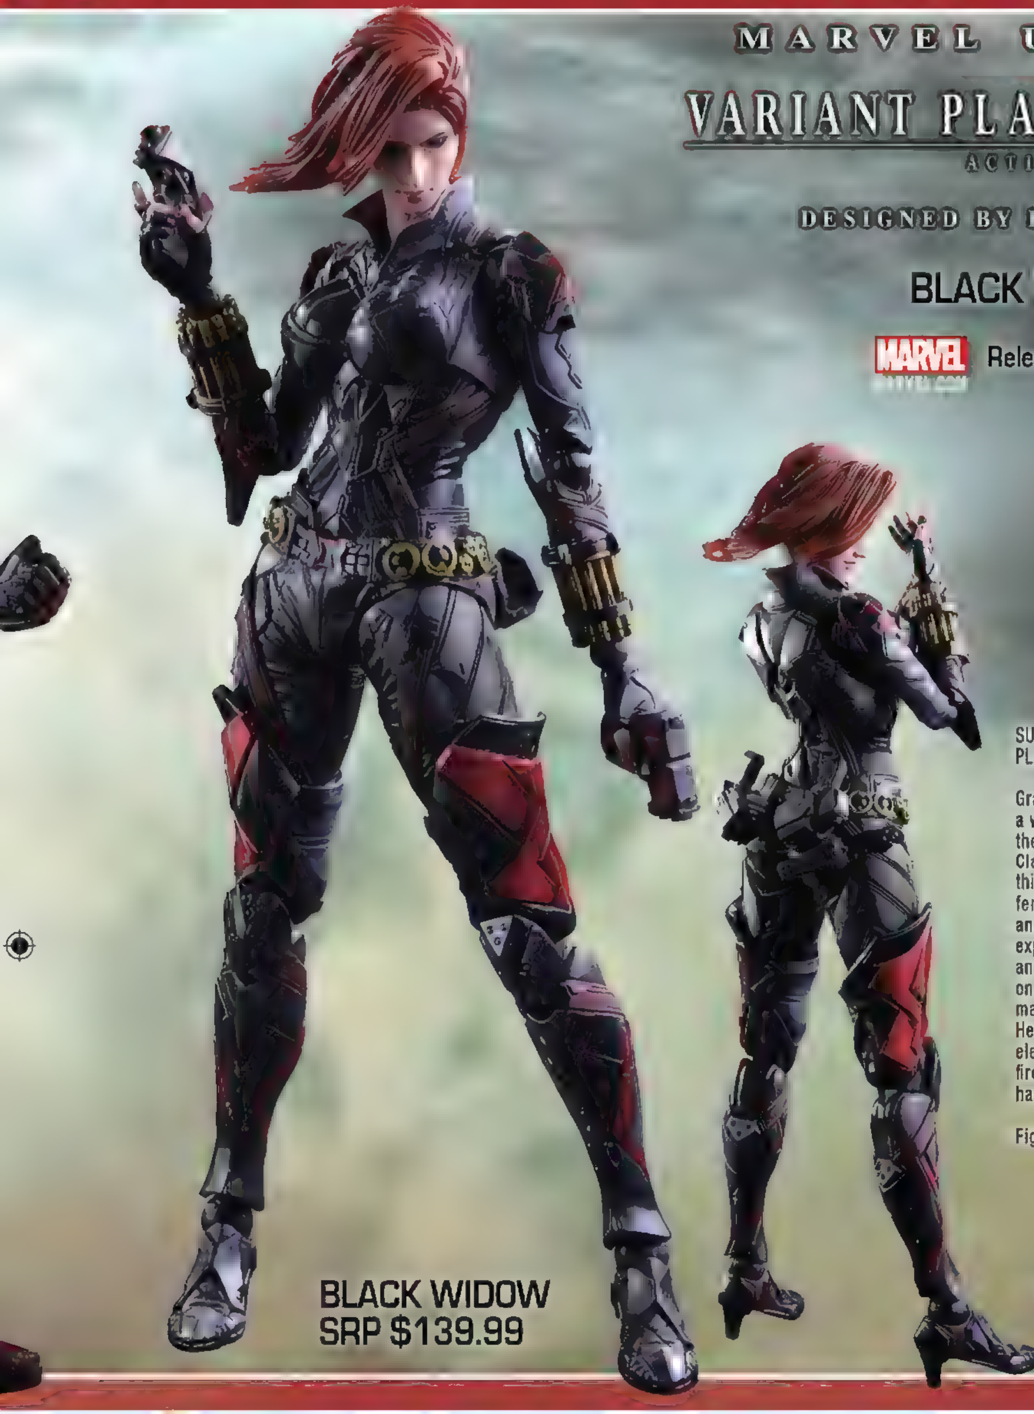
BLACK WIDOW

MARVEL Release: DEC 2015



SUPER HEROES RE-IMAGINED BY
PLAY ARTS KAI CRAFTSMANSHIP.

Gracefully switching from a villain to a hero, Black Widow is a world-class spy who brilliantly stands out within the MARVEL Universe.
Clad in her signature form-fitting black body suit, for this Variant series we paid close attention not only to her feminine physique, but the design of her protective armor and made sure to allow a wide range of mobility to properly express her exceptional skill in martial arts. The paintwork and the color balance is exquisite, with varying contrasts on different parts and metallic paint application, which makes for great accents that add flare to her look.
Her accessories include special effect parts to replicate the electric shock of the stun barrettes and shots being fired out of her guns, and various gadgets including two handguns, and a knife, making this a substantial package.

Figure includes display stand.

PREVIEWS
HARLEY's Little Black Book
WONDER WOMAN
GUEST STARS IN THE DEBUT ISSUE OF A NEW SERIES BY AMANDA CONNER, JIMMY PALMIOTTI AND FRIENDS

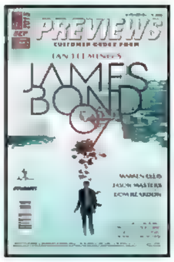
PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings to easy-to-understand sections: Comics & Graphic Novels; Books; Magazines; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is is easy! There are **3** simple ways to order:



PREVIEWS
JAMES BOND

1. **Use the Short Order Form.**
   Fill in with the items you'd like to order from this issue.

2. **Ask for the companion Customer Order Form.**
   We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic shop by the due date on the cover!

3. **Ask your retailer about their "Pull & Hold" service.**
   Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

MARVEL COMICS PRESENTS KOTOBUKIYA COLLECTION
BLACK PANTHER FINE ART STATUE

The latest elite Fine Art Statue in the Marvel Comics Presents Kotobukiya Collection adds a classic Avenger and royal hero with the mighty **BLACK PANTHER**! Lurking in the shadows and preparing to strike, Black Panther crouches on ancient ruins and keeps watch over his prey. The Avenger wears his iconic Wakandan vibranium costume, a sleek black bodysuit with integrated gloves, boots, and full mask plus a high collar and long cape. T'Challa watches intently through the menacing white eyes of his costume, and the outfit is accented with golden claws, belt, necklace of office, and feline-inspired armbands. Displaying the grace and patience of his namesake, Black Panther is tense and ready to attack with muscles taught and claws spread. The Avenger is intricately detailed with piping and creases on his costume, the subtle expression on his face through his mask, and of course his glorious flowing cape. Black Panther is approx 12 inches tall (1/6 scale) crouched atop a beautiful georama display base of an ancient panther statue overgrown with foliage. Display this incredible version of T'Challa alone or alongside other Avengers Fine Art Statues from Kotobukiya!

JAMES *tynion iv* **JAMES** *tynion iv* **JAMES** *tynion iv* **JAMES** *tynion iv* **JAMES** *tynion iv* **JAMES** *tynion iv*

This month's featured creator is... JAMES TYNION IV

James Tynion IV is best known for his work at DC Comics, and is the showrunner of the weekly series *Batman & Robin Eternal*, the co-writer of the monthly *Constantine: The Hellblazer* series, and writer of the *Batman/Teenage Mutant Ninja Turtles* crossover, launching this December.

James, please tell us a bit about yourself!
I'm a comic book writer and recent transplant to Los Angeles, CA, where I'm currently engaged in a battle to the death with the villainous skunk who lives under my porch. I am also a bit of a horror junkie, and own about 400 different horror movies on Blu-Ray and DVD.

What are your favorite projects you've contributed to over the past decade?
Back at the start of my comics career, I created a series named *The Eighth Seal* for the Thrillbent digital comics system, and it is finally coming to life as a print series for IDW. The series tells the story of the First Lady of the United States who believes she is going insane, and the horrifying creature that lives in her mind. I can't wait for people to see it come to life on the page for the first time. Many of my favorite projects are horror, like my GLAAD nominated miniseries *Memetic*, which told the story of an image posted online that ends the world in three days. My most personal project month to month remains *The Woods*, my ongoing series from Boom! Studios about a high school transported into the middle of an alien forest. It's thrilling to be at a moment in my career where I can look back at so much work I'm proud of.

What are you currently working on?
Launching over the course of the fall is the second entry in my apocalypse trilogy with Eryk Donovan, a three issue miniseries called *Cognetic* which tells the story of hugely powerful psychic superorganisms that can spread through the minds of any humans in their vicinity. I'm also incredibly excited to be working on the *Batman/Teenage Mutant Ninja Turtles* crossover, bringing those characters together for the first time in any medium. It's a thrilling honor to be a part of that project, and I'm so excited that DC and IDW came together to make this fanboy dream come to life. I'm also co-writing *Constantine: The Hellblazer* with Ming Doyle for DC Comics, which is one of the most fun titles I've ever written.

What fun titles are you reading?

WE CAN NEVER GO HOME

My favorite title over the last few months has been *We Can Never Go Home* (*Vol. 1*—SEP151091) by Matt Rosenberg, Patrick Kindlon and Josh Hood, published by Black Mask Studios. A touch of sci-fi superheroics blended into an incredibly human story of two young teenage outcasts running away from home. It's brilliant.

I'm also a huge fan of *The Beauty* (Image Comics) by Jeremy Haun and Jason A. Hurley, which has the best core concept for a book that I've seen in ages — an STD spreading that makes you beautiful until it kills you. So good.

I think everyone out there also needs to check out *Virgil* (JUL150568) by Steve Orlando and JD Faith, a queersploitation revenge story set in the underground gay community of Jamaica. Its killer good.

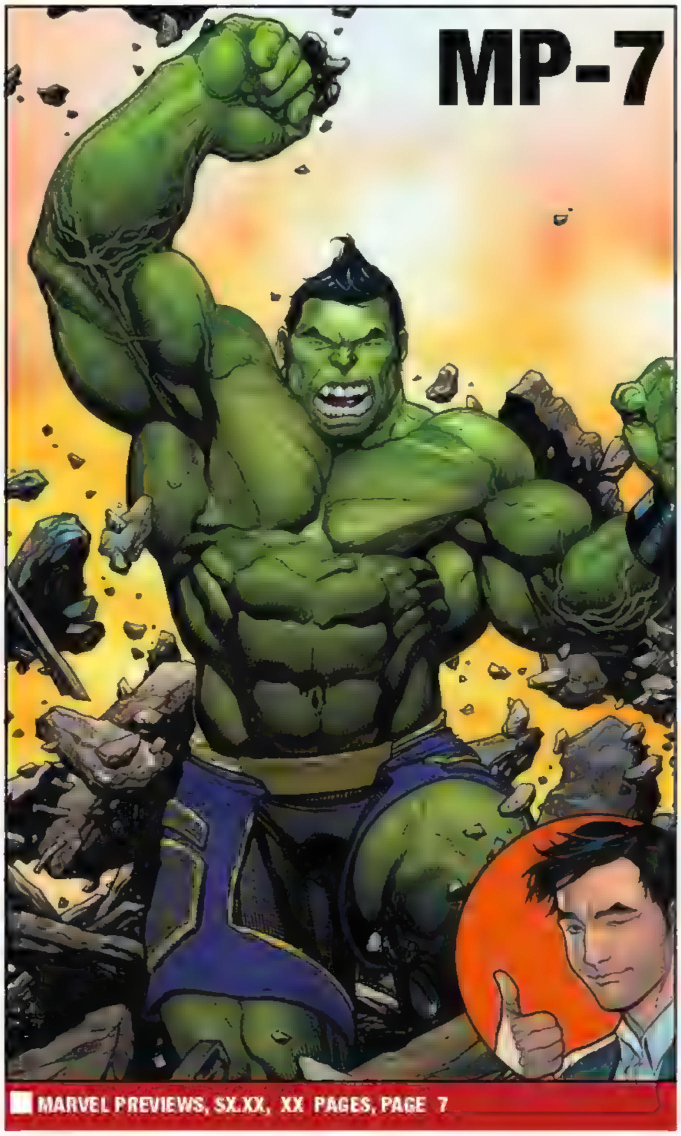
THERE'S A NEW HULK IN TOWN IN *THE TOTALLY AWESOME HULK*



MARVEL PREVIEWS, SX.XX, XX PAGES, PAGE 7

Get set for a radically new take on one of Marvel Comics' oldest characters, the Hulk, as the All-New All-Different Marvel continues in December with Greg Pak and Frank Cho's *The Totally Awesome Hulk!*

Our new Hulk is none other than Amadeus Cho -- teenaged super-genius, one of the ten smartest individuals on planet Earth, and friend of Hercules and the former Hulk. Now with the gamma-irradiated powers of the Hulk at his disposal, Cho is determined to be the best Hulk ever, even if the rest of the Marvel Universe doesn't see it that way! Cho may be a super-genius, but he's still a teenager at heart, and he'll have to learn how to balance how to live life as a teenaged Hulk with some totally awesome monster smashing!

Greg Pak, the creator of Amadeus Cho and the writer of World War Hulk and Incredible Hulk, is joined by artist extraordinaire Frank Cho for this brand new era of The Totally Awesome Hulk. The perfect jumping on point for new readers, you can expect humor, emotion, and monster smashing action as these two creators take the Hulk in new directions in the All-New All-Different Marvel!

Is the world ready for *The Totally Awesome Hulk*? Find out this December when Greg Pak and Frank Cho introduce the world to a new era in the storied history of the Green Goliath!

AMADEUS CHO, THE WORLD'S SMARTEST TEENAGER, IS DETERMINED TO BE THE WORLD'S BEST HULK IN GREG PAK AND FRANK CHO'S NEW SERIES!

MEET A NEW 23RD- CENTURY CREW IN *STAR TREK: STARFLEET ACADEMY*

J.J. Abrams' 2009 *Star Trek* movie took fans behind the doors of Starfleet Academy, the training ground for future Starfleet officers and captains. This December, IDW Publishing returns to the grounds of the academy in their new series, *Star Trek: Starfleet Academy*.

Starfleet only takes the best and the brightest, and Starfleet Academy puts them through a grueling program, one that pushes every cadet to the limit. In *Star Trek: Starfleet Academy*, writers Mike Johnson (the writer of the ongoing *Star Trek* series) and Ryan Parrott are joined by Derek Charm to chronicle the daily life at Starfleet Academy for Kirk, Uhura, and the rest of the cast of *Star Trek* as well as their classmates who have their own journeys ahead.

The time has come to enroll in *Star Trek: Starfleet Academy*. Are you ready?

BRIAN K. VAUGHAN'S ACCLAIMED WEBCOMIC *THE PRIVATE EYE* COMES TO PRINT

A century from now, when humanity has stored so much of its information in "the cloud," the cloud "breaks," obliterating the concept of privacy as secret upon secret is revealed to all. To protect one's anonymity, people have taken to wearing masks in public to shield their identity -- or, more specifically, to hide from their secrets. Brian K. Vaughan, the Hugo Award-winning writer of Saga, created this post-cloud world in his webcomic *The Private Eye*, and now this story, winner of an Eisner Award for Best Webcomic, comes to print from Image Comics in *The Private Eye: Cloudburst Edition*. Published in a widescreen format to preserve the appearance of the original webcomic, *The Private Eye* tells the complete story of a journalist in this technological dystopia and his quest to break the biggest story of his career. Joined by artists Marcos Martin and Muntsa Vincente, Brian K. Vaughan's *The Private Eye: Cloudburst Edition* is a story no discerning sci-fi reader will want to miss!

A NEW CHAPTER OPENS FOR *DRAGON AGE* IN A NEW DARK HORSE SERIES

BioWare's *Dragon Age* role-playing game series has taken gamers into the vividly realized fantasy world of Thedas for the past five years. This December, Dark Horse Comics takes fans back into the world of Dragon Age with the new mini-series, *Dragon Age: Magekiller*, written by acclaimed novelist and comic book writer Greg Rucka!

Two mercenaries, Tessa and Marius, have wandered from town to town, using their magical powers to earn money and eliminate their enemies. They are hired by a rich and powerful patron, and what they believe will be a simple -- and profitable -- mission quickly proves to be anything but!

An essential chapter in the *Dragon Age* saga, *Dragon Age: Magekiller* will both expand the world of *Dragon Age* for long-time fans while serving as the perfect entry point for comics readers curious about the video game! Look for the first issue from Greg Rucka and artists Carmen Carnero and Terry Pallot this December!

138 LEE BERMEJO IS DC COLLECTIBLES' NEXT DESIGNER SERIES

Lee Bermejo's stylish art has interpreted the characters of DC Comics in the acclaimed graphic novels, *The Joker* and *Lex Luthor: Man of Steel*. Next spring, DC Collectibles brings collectors the new *DC Comics Designer Series: Lee Bermejo Figures*. These figures of Superman, Batman, Green Lantern, and Lex Luthor stand nearly 7" tall and feature unique sculpts that give Bermejo's artwork 3-dimensional form. Each comes with accessories and will look fantastic in your collection!

503 THE *BATMAN* TELEVISION SERIES GETS A BRITISH DESIGNER MAKEOVER

Funko has joined forces with some of London's top designers to create a new figure platform, the *Vinyl Idolz*, that take your favorite franchises and give them a comic clay-animation style! It's the characters of the classic *Batman* television series that are the next to join the series, and fans of the Adam West series will love the amusing figures of Batman, Robin, Batgirl, and the Joker in the *Vinyl Idolz* style! Collect all four!

541 COMPETE FOR THE TRIWIZARD CUP WITH HARRY POTTER

The wizarding world came together in 1994 for the Triwizard Competition, a magical Olympics that pitted the three greatest wizards of Europe's wizardry schools in competition in *Harry Potter and the Goblet of Fire*. However, a fourth competitor was chosen -- Harry Potter -- and now Medicom recreates him with the *Harry Potter and the Goblet of Fire: Triwizard Cup Harry Potter Action Figure*, a 12" tall figure that depicts his competition outfit, broom, and the Cup itself!

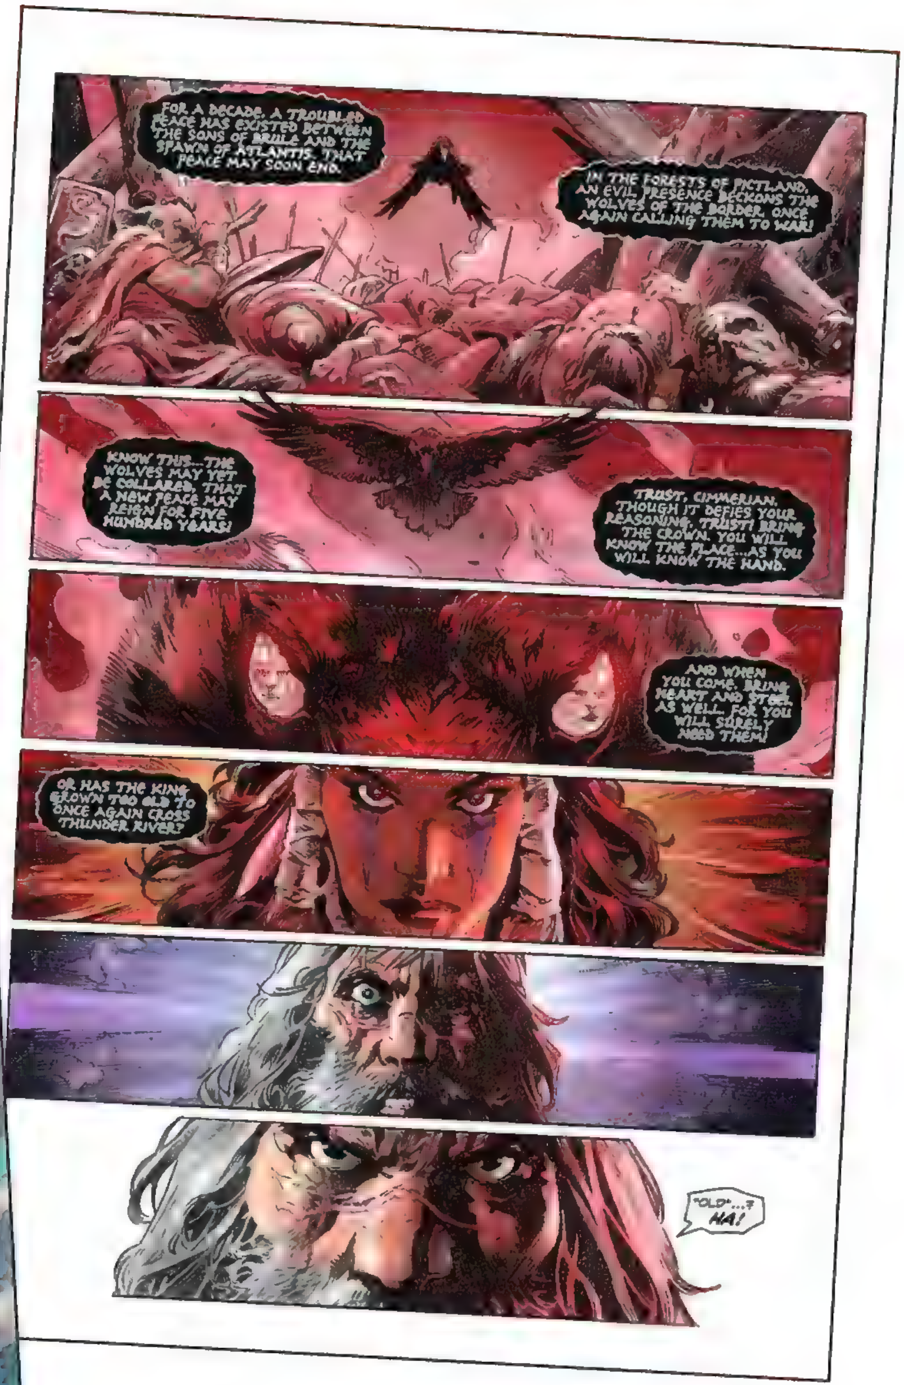
Timothy Truman (W), Tomás Giorello (A/Cover), and José Villarrubia (C)

On sale Dec 23	FC, 32 pages
$3.99	Miniseries

King Conan grows weary of the crown. When an old soldier visits him with talk of a cursed relic and rumors of Pictish tribes preparing a full-scale invasion on Aquilonia's borders, Conan eagerly embarks on what could be his final adventure! A fan-favorite team expands on Robert E. Howard's unfinished "Wolves beyond the Border" tale!

- **A perfect companion piece to *King Conan: The Hour of the Dragon*!**



FOR A DECADE, A TROUBLED PEACE HAS EXISTED BETWEEN THE SONS OF BRULE AND THE SPAWN OF ATLANTIS. THAT PEACE MAY SOON END.
IN THE FORESTS OF PICTLAND, AN EVIL PRESENCE BECKONS THE WOLVES OF THE BORDER, ONCE AGAIN CALLING THEM TO WAR!
KNOW THIS...THE WOLVES MAY YET BE COLLARED, THAT A NEW PEACE MAY REIGN FOR FIVE HUNDRED YEARS!
TRUST, CIMMERIAN. THOUGH IT DEFIES YOUR REASONING, TRUST! BRING THE CROWN. YOU WILL KNOW THE PLACE...AS YOU WILL KNOW THE HAND.
AND WHEN YOU COME, BRING HEART AND STEEL AS WELL. FOR YOU WILL SURELY NEED THEM!
OR HAS THE KING GROWN TOO OLD TO ONCE AGAIN CROSS THUNDER RIVER?
"OLD"...? HA!

BATMAN: THE DARK KNIGHT RETURNS – FRANK MILLER GALLERY EDITION HC

Advance solicit • On sale February 2016 • 216 pg. FC, 13" x 20" • $175.00 US

Commemorate the 30th anniversary of one of the most defining works in comics history with the BATMAN: THE DARK KNIGHT RETURNS – FRANK MILLER Gallery Edition. Sourced from the original art that has been scanned from collectors worldwide, this is the collection we've all been waiting for. Featured within the hardcovers of this Smythe-sewn edition is Miller's artwork from DKR #1-4, scanned in full color from the original black-and-white pages. Also included are the covers, related art and previously unpublished pieces showcasing Miller's artwork as never seen before.

Graphitti Designs' Gallery Editions replicate the look, feel and attitude of the artwork. Every page is reproduced at original size on heavy paper stock to provide the fan and collector with museum-quality reproductions that are obtainable nowhere else.

Though we were unable to locate every original from this story, we are pleased to present to fans everywhere the best presentation of the artwork from this historic series ever seen. This is your only opportunity to see the artwork that truly changed Batman forever.

Baghdad, 2003. Florida Police officer-turned-military contractor, Chris Henry is tasked with training a new Iraqi police force. When one of his trainees ends up dead, Chris is forced to team up with Nassir, the last remaining cop in Baghdad. Pulling the strings to bring them together is the mysterious Sofia, an American-educated Iraqi who has returned to take control of the city's criminal underworld. This miniseries is a thrilling wartime crime drama told amid one of the most tumultuous times in modern history.

THE SHERIFF OF BABYLON is a new eight-issue miniseries pulled from GRAYSON cowriter Tom King's real-life experience as a CIA operations officer and is illustrated by Mitch Gerads, cocreator of *The Activity.*

MATURE READERS

Forget what you know of England, of the "Land of Hope and Glory." Instead, try damp and depressing, and embrace this miserable island for what it is. Our story kicks off in 1976: the country coming apart at its flared corduroy seams, a decade after the Great Train Robbery, when British crime has gone decidedly soft in the middle.

Time for a new generation of criminals to rise: a band of snotty-nosed heroes driven by destiny and cheap cider, who will strike fear back into the establishment, put art back into crime and crime back into art, and pull off what will become known as the heist of the century.

This new series from Simon Oliver (FBP: FEDERAL BUREAU OF PHYSICS) and Rufus Dayglo (*Tank Girl*), spans three decades, from the punk rock '70s to the decadent '80s and beyond, charting the rise, fall and redemption of a group of bandits that changed the face of the criminal underworld and closed the door on a legacy.

Harold Gray's
Little Orphan Annie
VOLUME TWELVE
IT'S ONLY A PAPER MOON
DAILIES AND COLOR SUNDAYS 1945-1947
America's Spunkiest Kid On Trial for...Murder!

It's hard to keep a good man down and Oliver Warbucks is no exception. With reports of his death greatly exaggerated, "Daddy" is back and this time, with World War II over, he has to fight off a cadre of international businessmen who want him to hand over the secret of the atomic bomb! Meanwhile, Annie discovers that lying dogs don't always stay put when she has to stand trial for murder! And in a classic Harold Gray tale, the little redhead finds respite on a seemingly bucolic farm run by a young woman and her grandfather—but all is not what it seems. Volume Twelve reprints all daily and Sunday strips from April 15, 1945 to January 11, 1947.

WALLY WOOD'S T.H.U.N.D.E.R. AGENTS: ARTIST'S EDITION PORTFOLIO

artist/cover **Wally Wood**

Wally Wood is recognized as one of the finest talents to ever grace the comics medium. In the 1950s, he was one of the brightest stars in the legendary EC stable of artists, including being a key artist in the ground breaking *MAD!* In the 1960s, Wood reinvigorated Marvel's *Daredevil*, including designing the classic costume. Soon after Wood turned his sites on a new superhero venture—the *T.H.U.N.D.E.R. Agents*! Wood co-created the team, including the iconic Dynamo! Now IDW proudly presents a selection of gorgeous Wood art, all scanned from the originals and printed at full size. Wood's art is increasingly rare and sought after by collectors, few have even seen his originals—don't miss this opportunity to own the next best thing, and at a fraction of the cost!

Utopia is here. Hunger, sickness, work…all relics of a long forgotten past. For the greater good of the human species, all individuality, creativity, and negative emotions have been genetically bred out and medically suppressed. The population is limited to segregated areas where people lead long lives of leisure, games, and socializing. Only one man and one woman seem to notice, care, or think differently. Once they find each other, their relationship sparks a revolution...but will their love cause the salvation or destruction of mankind?

From **ED BRISSON** (**SHELTERED**) and **ADAM GORHAM** (**Dead Drop**) comes an all-new, ongoing series. Meet Mason, an ex-con and former drug addict who's trying hard to give up his old life. He's got more important things to live for now: a wife struggling to contain her own addiction and a young daughter who needs them both. When threatened with losing his daughter, Mason falls into old habits, stumbling through a string of desperate criminal acts whose repercussions quickly become deadly serious.

BECKY... JESUS...PEOPLE ARE SLEEPING. YOU'RE GOING TO--
I DON'T CARE!
YOU'RE SUPPOSED TO BE AT HOME WATCHING KAITLYN.
I GET HOME FROM WORK AND FIND YOU GONE... I MEAN, WHAT THE [redacted], MASON? WHAT, THE ACTUAL [redacted]?
SHE WAS ASLEEP. I JUST--
SHE'S THREE! YOU CAN'T LEAVE HER HOME ALONE!
I'VE WORKED TOO HARD...WE'VE BOTH WORKED TOO HARD... FOR YOU TO START SCREWING UP LIKE THIS.
I CAN'T DO THIS. IF YOU CAN'T GET YOUR [redacted] TOGETHER... I JUST...
I CAN'T LOOK AFTER YOU AND HER. I CAN'T GO TO WORK AND WORRY THAT SOMETHING'S GOING TO HAPPEN.
YEAH. YEAH.
DON'T "YEAH" ME. I NEED YOU TO LISTEN TO ME. I NEED YOU TO UNDERSTA--

ADVANCE LISTING
JANUARY 20
176 PAGES / FC / M
$19.99

In February of 1968, Hell gave up its dead and the entire world became a graveyard filled with hungry cannibalistic ghouls overnight. With **HOMEFRONT**, the fifth volume in the ongoing '68 series, the focus on Vietnam and the war shifts to the American continent, revealing three red, dripping slices of post-apocalyptic life in the USA and Canada. A pep rally at Harbinger High in small town Pennsylvania becomes an orgy of undead violence in: **'68: PEECE AND LOVE**. The Canadian snow runs red as Vietnam draft-dodgers flee the US seeking asylum with neutral neighbors to the north in **'68: DODGERS**. And deep in the Butchertown district of San Francisco, a bloodthirsty madman who calls himself The Zodiac competes with the living dead for headlines, daring the remnants of a fragmented police force to catch him if they can in **'68: BAD SIGN!** Five full issues plus a cover gallery, pin-ups and tons of behind-the-scenes extras available nowhere else!

DECEMBER 16
136 PAGES / FC / M
$9.99

SPECIAL LOW INTRODUCTORY PRICE OF $9.99!

Eisner nominated artist **JASON SHAWN ALEXANDER (Abe Sapien: The Drowning, Queen and Country)** brings us a future eighty years after a worldwide black out. The world is a much darker and scarier place. Corinne White is an ex-soldier turned black market spy, data courier, manic-depressive, alcoholic. Punishing herself for mistakes from her past, Corinne is brought out from her spiral when she's contacted by her dead friends who inform her of a plot to reanimate the bodies of the dead by a psychotic billionaire. **EMPTY ZONE** follows Corinne as she confronts these undead monsters and comes to terms with her past.

"...this is truly above and beyond anything I've seen before."
-MIKE MIGNOLA (HELLBOY)

"What a gorgeous book."

A classic from the Golden Age of Image Comics, collected in trade paperback for the first time! Pagan imagery and early Christianity clash across time in Matt Hawkins' acclaimed tale of medieval mayhem and transtemporal quests! In 541 AD, Guinevere, widow of King Arthur, attempts to unite the Britons under the banner of Excalibur and the Goddess. In 1999, her descendant, Jennifer Drake, unravels a mystery that could end the world - unless she claims her birthright, and the sword Calibum. Guinevere faces traitors on all sides, and Jennifer battles the wicked Mordred and Morgana - can the righteousness of any god or goddess triumph over evil?

Once the world's most famous chef, Gavin Cruikshank's been in a self-imposed exile for years. His little foodie television program has since evolved into STARVE, an arena sport that pits chef against chef for the pleasure of their super-rich patrons. It's a stain on a once-noble profession, and Chef Gavin is ready to go to war to stop it. Two things stand in his way: his arch rival Roman Algiers, and his adult daughter Angie, who probably just wants her dad back and acting normal.

THE LIFE AND LEGEND OF WALLACE WOOD

Fantagraphics Books

I think I first noticed the comic book work of Wally Wood on *Challengers of the Unknown* (I was a big DC fan even at an early age) or maybe *Mad Magazine*, but I definitely remember *Daredevil* and *Thunder Agents* as grabbing my attention. If I got hooked on an artist I wanted everything I could find by him. When I started collecting ECs I wanted the books to have at least one story by Williamson and one drawn by Wood.

I love reading about comic history and creators almost as much as the comics themselves and would gladly buy fanzines like *Spa Fon* and *Squa Tront* which covered the EC artists. Years later I read *Against the Grain* by Bhob Stewart and got a more up close view of one of my favorite artists, Wally Wood.

Now with *The Life and Legend of Wallace Wood* from Fantagraphics Books we get a revised, re-designed and expanded edition with nine new chapters in an over-sized 10" x 12" format to more fully capture the Woodwork. Bhob Stewart, a former Wood assistant, edited this book and is a biographical portrait, generously illustrated with Wood's gorgeous art as well as little-seen personal photos and childhood ephemera. Included are remembrances by Wood's friends, colleagues, assistants, and loved ones, exploring Wood's struggles with censorship, alcoholism and his career as he came to the end of his life.

With contributions from colleagues like John Severin and Al Williamson, to assistants like Paul Kirchner, Larry Hama and Tom Sutton, *The Life and Legend of Wallace Wood* provides us with a better understanding of a true comic book legend, his life and legacy.

While I wish this had been published in hardcover (I'm picky that way), I look forward to adding this to a library filled other Wally Wood publications from EC reprints, *Mad* archives, to Russ Cochran portfolios and recent Artist editions.

AGATHA H & THE VOICE OF THE CASTLE: A GIRL GENIUS NOVEL HC

(W) Kaja Foglio, Phil Foglio
(CA) Tom Kidd

In the third novelization of the Hugo Award-winning *Girl Genius* webcomic, Agatha Heterodyne returns to her ancestral home, the town of Mechanicsburg, to claim her inheritance by convincing the artificial intelligence that animates her family's castle that she is, in fact, the new Heterodyne. But this presumably simple task is quickly complicated. An impostor claiming to be the legitimate heir appears. The Empire is convinced that Agatha is the person responsible for the Long War. And, perhaps most troublesome of all, the castle itself is insane. (STK687854) **Item has been previously solicited in *PREVIEWS Plus*. AfterShock Comics

AFTERSHOCK™

I've been asked more than once over the past several months whether AfterShock Comics is looking to become the next Company X or Company Y, and my answer is always the same: We're not hoping to become the *next* anything. We're looking to be the *first* AfterShock Comics.

AfterShock is focused on many different things, but the three words above best express our mission statement.

Story:

Focusing first on the best possible stories to tell. If it's not worth telling, try somewhere else.

Quality:

Attracting the highest level of talent in the business to come tell their stories with us, whether it's the experienced Top 10 talents of today or the rising stars of tomorrow.

Risk:

Although the company originates from veteran comic book professionals, it is complimented by having founders with extensive experience in social media, technology, marketing/distribution and TV/film. Our crew is accustomed to taking risks daily. We welcome it. If it isn't a challenge, AfterShock isn't interested.

We celebrate our inaugural launch this December with four exciting series. With a talent pool consisting of everyone from Garth Ennis to Amanda Conner to Marguerite Bennett to Jimmy Palmiotti to Paul Jenkins, AfterShock has a quality writing core ready to surge into the fray. And with titles like *Replica*, *InSEXts*, *SuperZero* and *Dreaming Eagles*, we're offering fans a variety of genres to choose from—sci-fi, humor, war, horror, superheroes. You name it, we have it. And with an artist's squad made up of such stellar talents as Andy Clarke, Arela Krisantina, Rafael de Latorre and Simon Coleby, we couldn't feel stronger.

Engaging stories. The best creative talent. A dedicated, ambitious staff. The future is what we make of it. Let's make some great comics. We hope you'll join us.

You have the most stressful, demanding job in the known universe.

You're surrounded by idiots.

Making 49 clones of yourself seemed like a BRILLIANT idea... 13 drinks ago.

What could go wrong, right?

What a moron.

What is the BEST
answer? The
VICTORIAN AGE
was a time of:

A. Purity
B. Chasity
C. Magic
D. Lust
E. Self-discovery
F. Murder
G. Forbidden love
H. Monsters
I. Sex

The correct answer
is ALL OF THE
ABOVE!

From the minds of writer MARGUERITE BENNETT (*A-Force, Angela, Red Sonja*) and artist ARIELA KRISTANTINA (*Wolverines, Deep State*) comes a Victorian Age tale of love, lust, and magic—the like of which you've never seen before!

WAR STORIES VOL 3 TPB

Retail Price: $24.99 US

Writer: Garth Ennis
Art: Matt Martin, Keith Burns, Tomas Aira
MR, FC, 224pp

About: The third volume of Garth Ennis' powerful War Stories series features tales ripped from the pages of history itself delivering a horrifying and riveting look at some of the most brutal battles throughout time. This essential tome includes three stories of battle written by Ennis and illustrated by Thomas Aria including:

Castles in the Sky: A horrifying tale of early bomber pilots and their incredibly difficult missions during wartime. Thrust into the sky with a new team of soldiers these brave men learn quickly the horrors of aerial combat over the skies of Germany. With art by Matt Martin and Keith Burns.

Children of Israel: In 1973, the Golan Heights was the home to the most brutal tank warfare in history. As a young nation of Israel faced the imposing forces of the Syrian army, the true mettle of these soldiers would be tested as never before. With art by Tomas Aira.

The Last German Winter: February 1945: as the Soviet war machine crashes into eastern Germany on a tidal wave of carnage and revenge, a mother and her children join the flood of refugees struggling to stay ahead of the invaders. But the realities of battle are dreadful to behold, and what the little family find waiting for them is deadlier than any mythical dragon. Worse still, the strange figures who appear from the deep woods are far from being knights in shining armour- and in these dark times, the price of salvation may just be too much to bear. With art by Tomas Aira.

This volume collects War Stories #1-9 of the ongoing comic book series.

About: Fans and critics alike are hailing Alan Moore's Providence as the horror event of the year! Mild mannered newsman Robert Black is uncovering a mysterious undercurrent of fear as the pieces of the Lovecraftian puzzle slowly begin to make a coherent picture. The dramatic tension is building with each incredible ad-free 40 page issue and this issue begins the big unveils. The work has been researched and developed by Moore and Burrows over the course of several years. And the end result is an amazing tome of Lovecraftian influenced nightmares where Moore has written every cover, every single page, and every nuance of this work to create his most fully-realized vision to date. Fans of Moore's immersive style and meticulous grasp of storytelling will be thrilled to add this essential piece of comics history to their collections! Available with Regular, Pantheon, Portrait, Dreamscape Wraparound, Women of HPL, and a special Ancient Tome Incentive cover, all by collaborator Jacen Burrows.

SPOTLIGHT **A NEW CROSSED +100 ARC BEGINS HERE!** Spurrier kicks things up a notch in the third arc of Alan Moore's incredibly original Crossed future exploration! This issue features another time jump forward and fresh startling discoveries for Future Taylor! Humanity is on the offensive and having surprising success. Could there finally be an end in sight? Several special themed covers continue to enrich the series:

American History X Wraparound - Each of these will depict a specific time in the past hundred years, showing how things have changed and offering a peek at some key events. Each cover will display the year in which it takes place to help build the full picture. Art by Christian Zanier.

Crossed Wires - The Crossed just don't see or make things the same way a person would, these images celebrate that day-to-day madness. Art by Christian Zanier.

Disastered - These will show how America has changed since the original Crossed outbreak. Art by Christian Zanier.

Horrific Homage - What if the Crossed were there from the very beginning of comics? This edition will be an Homage to a great Golden Age cover. Art by Michael DiPascale.

Wishful Fiction - The evolution of science-fiction would have been very different with the Crossed as we show you here! Art by Jacen Burrows.

About: Writer Warren Ellis and artist Paul Duffield proudly present the 2010 Eagle Award-winning adventures of the Freakangels in this gorgeous box set collection of all six volumes value priced! Twenty-three years ago, twelve strange children were born in England at exactly the same moment. Six years ago, they used their psychic powers in unison and accidentally flooded the world. Today, they live in and defend Whitechapel, perhaps the last real settlement in soggy London, from the evil machinations of one of their own – a "Freakangel" gone rogue. But when Mark, the bad seed, returns and forces his old friends to expand their consciousness beyond all concepts of space and time, they discover there's something coming... something dark and terrible beyond the borders of Whitechapel. Now you can get the entire epic story, all six volumes, packaged in a sturdy slipcase featuring striking original art!

SPOTLIGHT

ABOUT: Forget Superman, Thor or the Hulk. The Top 100 Power List pits executive against retailer, against writer, against penciller, against buyer, against distributor, to find the most powerful people affecting the comic industry right here, right now. Who really makes the moves that shape the comics you buy? RICH JOHNSTON lays bare the real power behind the PR. The scramble to the top of the comics industry takes new and bizarre twists every year, and the outlying factors are always the most intriguing and one thing always holds true—there will be surprises based as much on little known information as on public displays of power. This year we've seen new creators rise, the formation of new publishers and changes to existing companies to add even more variables to the mix. New subsidiary lists this year will keep you up to date on the strangest groupings you'll find in comics, too. Along with revealing the Power List, this issue of BLEEDING COOL MAGAZINE will profile influential comics creators, keep you up to date on the latest titles from a wide range of publishers, pick the hottest comics of 2015 to collect, review the year in film and TV, and bring you 128 pages of original analysis and discussion not to be found online.

BLEEDING COOL MAGAZINE #20 ORDER INCENTIVE: Retailers who order five or more copies of *BCM* #20 will be promoted as a Bleeding Cool Store in the magazine.

$3.99 • 32 Pages • Full Color

WHAT'S TO LOVE

With books like ***Hit*** and ***Day Men*** in our library, you can tell we absolutely love noir stories, and the more unconventional, the better! Critically acclaimed writer Ollie Masters *(The Kitchen)* and artist Tyler Jenkins *(Peter Panzerfaust)* have crafted a tense noir story in the tradition of *Criminal*, *Scalped*, and *100 Bullets*, set in the bleak, snow-covered landscape of Alaska, a perfect setting to highlight the cold nature of crime.

WHAT IT IS

What happens when you discover your dad isn't the man you thought he was? For high school teen Teddy, life in a sleepy suburb in Alaska turns upside-down when he innocently posts a photo of his dad on Facebook, only to learn he and his family are in the Witness Protection Program. A man seeking revenge invades their town, and soon FBI agents arrive, too. But what if his dad's reasons for going into the program aren't as innocent as he says?

Written by **Rick Loverd**
Illustrated by **Huang Danlan**
Covers by **W. Scott Forbes**, **Felipe Smith** *(Ten Years Variant INCV)*, **Steven Thomas** *("Propaganda Poster" INCV)*
$3.99 • 32 Pages • Full Color

WHAT'S TO LOVE

Surviving against all odds. Adventures on the frontier. Lying on the cusp of discovering something new. Rick Loverd *(Berserker)* and artist Huang Danlan brought us a story that evokes the history of great adventurers from the pilgrims to the Western pioneers, from deep-sea explorers to polar trailblazers, all of whom searched for a new beginning.

WHAT IT IS

In 2150, Earth's resources are depleted, and countries race to outer space to mine what they need from other planets. China has laid claim to Mars, so the U.S. and its allies have to make do with getting what it needs from the inhospitable world of Venus. But for a group of Americans making its way there, survival has become all too real. After their ship crash-lands on the planet, the scrappy crew is forced to do whatever it takes to navigate the harsh landscape in their journey to find the science base they were flying toward. In the vein of great adventure survival stories like *Lost* and *The Martian*, there's only one reality on Venus—adapt or die.

WHAT'S TO LOVE

As long-time fans of the ***Munchkin*** card game, we're jazzed to weave stories out of that world, whether it's from the perspective of one Munchkin, a gang of them, or even one of the monsters that live behind the doors!

WHAT IT IS

Based on the immensely popular card game, ***Munchkin*** comes to comics! ***Munchkin*** takes place in a very flexible mashup of genres. What do Munchkins do? They play for the win. They backstab. They gloat. They whine when someone else backstabs or gloats. If a Munchkin seems to show mercy, it's because he was bored or distracted. After all, even stomping an ant helps you level up. Collects issues #1-4 and contains an offer for an exclusive new ***Munchkin*** playable item!

SCI-FI FANTASY

(W/A/CA) Cary Polkovitz

UKIYO. The word conjures images of the lives of Japanese courtesans and the nobility, a life of excess and luxury. Or it can mean "sorrowful world." A "transitory world." An implication of a separate, illusory reality. A staging place for the afterlife. Author and illustrator Carl Polkovitz's *UKIYO* centers on an existence based on varying perceptions. Hallucinatory visuals tell a tale inspired by the rapidly advancing technologies of today's social media and global economic interconnectivity. *UKIYO* is a study in non-linear storytelling, drugs, online personas, and obsession. THE ART OF PLOOG

Art Books/FPG

In the seventies when you were looking for horror comics there was Warren Magazines, DC's *House of Mystery* and *House of Secrets*, and Marvel titles like *Chamber of Chills*. While we still saw legends like Alex Toth, Gene Colan, and Steve Ditko working on those titles we also saw newcomers like Frank Brunner, Bernie Wrightson, and Mike Ploog.

Marvel found a formula of horror themes and continuing characters, and Ploog became the go-to artist for many of the 70s greatest horror based series, from *Werewolf by Night* and the Johnny Blaze *Ghost Rider* to *The Monster of Frankenstein*.

The years Mike worked under Will Eisner on *PS* magazine prior to his work at Warren and Marvel gave Mike a strong base in creating moody pieces of art and a strong sense of graphic storytelling as well.

While many of Mike's stories have been reprinted over the years FPG's *The Art of Ploog* provides us the most comprehensive retrospective of his art. In an oversized 9" x 12" format and over 300 pages we see Mike's work from *Leatherneck* to Marvel (*Ghost Rider*, *Monster of Frankenstein*, *Man-Thing*, *Planet of the Apes*, *Kull*, and *Werewolf by Night*), Crossgen, and Image to film work which included *Wizards* and *Shrek*.

This being FPG we get to see much of the original fantasy art he created for the trading card series he did with them in the 90s as well as art he did for collectible card games all reproduced much larger than the size of the trading cards they were printed.

The Art of Ploog features commentaary by Ploog along with those he worked with in comics and film like Ralph Bakshi, John Carpenter, Frank Oz, and Roy Thomas and comes in a standard edition as well as a signed edition limited to 250 total copies.

Mike Ploog is one of the true legends of the Bronze Age of comics though everything he does is pure gold.

From the pages of Bill Willingham's Legenderry: A Steampunk Adventure... it's Vampirella, the immortal horror heroine, neck-deep in conspiracies and corruption. Against a Neo-Victorian backdrop of zeppelins and petticoats, the raven-haired adventurer stalks an alternate reality of danger and darkness in a tale by David Avallone and David T. Cabrera!

When not entertaining her guests at the classy Scarlet Club as Madam Pendragon, Vampirella stalks out into the cobblestone streets of the Big City in pursuit of The Council, an alliance of the deadliest ne'er-do-wells ever to plague civilized society. But the hunter becomes the hunted when Blackmass, the extradimensional demon with a hunger for human souls, ventures into the night, pursuing tasty morsels without Council supervision. As panic sets in among friends and foe alike, Vampirella must face a host of enemies -- including the beast-like Black Bat, the devious Veiled Lady, and many more -- in a desperate race to reach the monster first!

Like an unstoppable force of nature, private detective John Shaft is back with a vengeance. Ernest Tidyman's iconic detective returns in the first original Shaft novel in more than forty years, and he's as bad as ever. When the Godfather of crime in Harlem reaches out to Shaft for a favor, the hardboiled detective finds himself caught in a web of violence and murder. No one is safe as the bullets start to fly and the bodies start to drop, leaving Shaft with only two options: kill or be killed.

From the writer of the award-winning graphic novel Shaft: A Complicated Man, comes the critically acclaimed return of the black private dick that's a sex machine with all the chicks. It's a two-fisted tale of revenge as Shaft cuts a bloody path through city, settling old scores and faces the demons of his past.

"Writing the first Shaft book in forty years has been not only an honor and a privilege, it has been a dream come true."

Rory Fletcher is a good man dying of an inoperable brain tumor, with only two months to live. When his best friend discovers the top secret Treatment Q, buried by the government due to its shocking and unpredictable side effects, Rory figures it can't be any worse than dying. However, as the chemicals attack the tumor in his right parietal, they unlock the brain's unlimited potential, triggering psychokinesis... and manifesting his worst fears and nightmares as visions and physical constructs! Can he curb his dangerous impulses before the bodies of loved ones and innocent bystanders start piling up? Or will agents of British Intelligence and other Treatment Q survivors manipulate his fearsome new abilities for their own ends?

SILVER VOLUME 1 TP
(W/A/CA) Stephan Franck
Created by *The Iron Giant* animator Stephan Franck and taking Bram Stoker's world of *Dracula* fifty years hence into the pulp era of the 1930s, *Silver* introduces James Finnigan, a witty but (figuratively) soulless con man, who sets out to separate the living-dead from their precious silver. Personality conflicts, emotional entanglements and character comedy abound, as Finnigan assembles the crew of talented but broken misfits needed to pull off the heist of the last ten centuries. New York City, 1985. Wildstyle graffiti covers subway cars. Koch is mayor. Drugs and crime rule the streets. A terrifying plague is brewing in the shadows. As the populace loses faith in the police, the city's brand new guardian angels wear spandex and capes, wielding their gadgets and their superpowers to clean up the City, even if their methods hurt more people than they help. They whisper the name of the hero: DMC. He dons his tracksuit and Adidas sneakers to defends the city's marginalized citizens against super villain and super hero alike, leaving no traces besides the imprint of his knuckle rings on his opponents' faces. LAST OF THE DRAGONS GN
(W) Carl Potts, Dennis O'Neil
(A) Terry Austin, Carl Potts
Along with a team of comic book legends — Dennis O'Neil, Terry Austin, and Marie Severin — Carl Potts presents an awe-inspiring and gloriously illustrated tale set in nineteenth-century Japan, a land of noble and serene dragons. But when a sect of deranged monks begin training the huge reptiles to kill in Northern California, only an aging samurai and a half-American ninja stand in their way. Originally published as a six-part series in Marvel's *Epic Illustrated* magazine, *Last of the Dragons* combines an exciting, action-packed story with fascinating elements of Chinese and Japanese mythology and philosophy. STARS of the MONTH

MOOMIN: THE DELUXE ANNIVERSARY EDITION HC
(W/A/CA) Tove Jansson
Tove Jansson's *Moomin* stories made her one of the most beloved Scandinavian authors of the 20th-century. Jansson's whimsical tales of Moominvalley resonate with children for their light-hearted spirit, and with adults for their incisive commentary on the banality of everyday life. Drawn & Quarterly celebrates the centenary of Jansson's birth with *Moomin: The Deluxe Anniversary Edition*, a slipcased, hardcover collection of the complete Tove Jansson-penned *Moomin* comic strip, replete with all of her most popular storylines and original pencil sketches. MOOMIN

MOOMIN AND THE COMET SC
(W/A/CA) Tove Jansson
A classic *Moomin* story reworked in full color, with a kid-proof but kid-friendly size, price, and format. It's getting hotter and hotter in Moominvalley, and all the creatures have taken note of the troubling weather. After a mysterious cloud appears in the sky one day, an exodus begins. The Hattifatteners, the Nibling, Mrs. Fillyjonk (and all her children), and even Mymble pack up to leave the valley. When they realize the mysterious cloud is a comet headed straight for Moominhouse, Moomin, Little My, and Snorkmaiden decide to depart their home too. Between a tidal wave and a comet-struck Moomin, the end does seem nigh, but the day may yet be saved! (STK613597) (C: 0-0-1)

MOOMIN AND THE SEA SC
(W/A/CA) Tove Jansson
A classic *Moomin* story reworked in full color, with a kid-proof but kid-friendly size, price, and format. Moominpappa has committed to writing a Great Novel About the Sea, and so the whole family moves to a desolate island where Moominpappa becomes the lighthouse keeper. It soon becomes apparent that there are a few problems with the island: it's haunted, there's nowhere to enjoy a good cup of tea, and the rat family living in the transistor radio has strictly forbidden the Moomins from using the radio until the children have all grown up and moved out. In the end though, is a bleak lighthouse any place for a Moomin? (STK613655)

MOOMIN VALLEY TURNS JUNGLE TP

(W/A/CA) Tove Jansson

Moomin Valley Turns Jungle is the second companion volume in D+Q's new *Moomin* full color paperback series. A crate filled with tropical seeds washes ashore, and when Moominmamma plants the seeds, a lush rainforest erupts in Moominvalley. When Stinky liberates some exotic animals from the zoo, chaos ensues, and the Moomins are forced to prove once and for all whether or not they're related to hippopotamuses. (STK474167)

WHO WILL COMFORT TOFFLE?: A TALE OF MOOMIN VALLEY HC

(W/A/CA) Tove Jansson

This is the timeless, magical tale of the wistful wallflower, Toffle, who is too shy to speak to anyone and too fearful of the world he is watching from afar. Lonely and sad, Toffle runs away from home and watches the magical cast of Moominvalley celebrate and enjoy life. This is the glorious reprinting of the classic children's book, complete with a loving translation by acclaimed British poet, Sophie Hannah. (STK423642)

KAIJUMAX TP

Oni Press

Did you watch the new season of *Orange Is the New Black* this summer and think "Hmm…you know what would make this better -- if everyone was a gigantic monster!"

Kaijumax scratches that itch. This story packs emotional prison drama told from the perspective of delinquent *kaijus* of all shapes and sizes. The monsters are held prisoner on an island penitentiary, lorded over by Ultraman-like prison guards, and dealing with unending confinement.

While the characters are monstrosities and convicts, you can't help but sympathize. Whether separated from family or wrongfully convicted, characterization is emphasized over action. You will feel for these brutes as they go through tough times. Plenty of action is still to be found, but it takes a secondary role for the personal beats, and makes the story powerful for doing so.

Zander Cannon is one talented fellow, taking on both writing and art duties. The personality given to each character is meticulous and deep, while the dialogue has moments that will make you laugh out loud or fill you with sadness. The art style is reminiscent of everything that made the classic *kaiju* movies great -- epic in scale and fantastic to look at.

Prison dramas unearth an entirely new level of emotion. Can you trust anyone once inside? Will you ever get out? What was life like before confinement? They give us tragedies of spirit, and *Kaijumax* is a perfect example of story done well.

JIM HENSON'S THE STORYTELLER: DRAGONS #1

BOOM! Studios

The Storyteller was Jim Henson's answer to the anthology television series. Where *Tales from the Darkside*, *Amazing Stories*, or other 80s shows of the kind went for the creep factor or a science fiction spin, *The Storyteller* was pure fantasy, more light-hearted, and a regular vehicle for Henson's unique brand of creature design and world-building. Using the comic book medium to bring new life to Jim Henson's originality and vision, this series begins a new arc this December that dives into the mythology of dragons.

With every new issue, Daniel Bayliss and Fabian Rangel Jr. offer us fables from cultures across the world, as told by *The Storyteller* to his beloved dog, and the art style shifts to reflect the time and place in which each are set. From medieval Europe, to the Far East, the diverse blend of art and writing used to imagine these folktales takes us places a short-lived TV show in the 80s never could have dreamed.

Part fairy tale, part parable, and part fireside yarn-spinning, *The Storyteller* finds that unique formula that transports you back to your childhood while still being fun to revisit as an adult. Better still, fans of the original show will be hard-pressed to read these books without the voice of John Hurt ringing in their ears.

SPOTLIGHT ON

RONALD SEARLE'S AMERICA

by Ronald Searle;
Edited by Matt Jones

$85.00 / HC / 368 pgs / FC / 10.75 x 13.75

During the early 60's, British illustrator Ronald Searle spent several years in the U.S. covering everything from sports to politics, capturing the essence of the American experience through the eyes of a caustic Englishman. Lushly produced and virtually unseen since originally being published in the 1960's, this deluxe coffee-table book will be the most lavish treatment of Searle's work that U.S. audiences have ever seen.

VIOLENZIA AND OTHER DEADLY AMUSEMENTS

by Richard Sala

$16.99 / SC / 144 pgs / FC / 7 x 9.8

Violenzia is a blast of pulpy fun, told in scenes of audacious action and splashes of rich watercolors. With elements of golden age comics and old movies mixed with Sala's trademark humor and sense of the absurd, Violenzia is a bloody enigma masked as eye candy, a puzzle box riddled with bullet holes from comics' master of the macabre.

LOVE AND ROCKETS: NEW STORIES NO. 8

by Gilbert and Jaime Hernandez

$14.99 / SC / 100 pgs / BW / 7.25 x 10.5

Jaime takes us to the punk reunion that Maggie & Hopey were road tripping to in the last issue where lots of old friends and enemies make appearances. Meanwhile, Gilbert serves up the second and concluding part of "The Magic Voyage of Aladdin," which establishes the rivalry of its two stars, Fritz and Mila. Who's Mila, you ask? You'll have to read *Love and Rockets: New Stories No. 8* to find out!

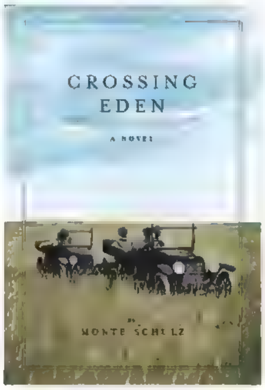
MARIA M. BOOK 2

by Gilbert Hernandez

$22.99 / HC / 140 pgs / BW / 5.75 x 8.5

In the concluding half of this brutal crime-noir graphic novel series from *Love & Rockets* co-creator Gilbert Henrandez, dark secrets force *Maria M.* to leave her drug-kingpin husband and return to her old life as a stripper and her eventual discovery sparks a gangland bloodbath. In a meta-twist, *Maria M.* the graphic novel is also the B-grade biopic of the mother of Hernandez's most beloved character, Luba!



CROSSING EDEN

by Monte Schulz

$34.99 / HC / Prose / 1,088 pgs / 6 x 9

Monte Schulz's omnibus prose novel *Crossing Eden* chronicles the Pendergast family, cast apart by circumstance into the early 20th century landscape of big business, tent shows, speakeasies, séances, bank robberies, lynchings, murder, romance, circuses, and skyscrapers. It's a grand tapestry of the American experience in an age of transition from rural to urban, with our nation perched on the precipice of the Great Depression. It is also the story of us, as we once were, as we hoped to be.

Self Storage #3

The bodies keep piling up as the mystery of Self Storage Unit 83 continues. Chris must decide what to do regarding the mounting evidence that he cannot contain the bounty he blindly purchased. The content of the unit, a zombie girl of unknown origin named Jessica, has made it quite clear how much she enjoys the taste of human flesh. Chris leaves two fellow storage warriors in charge, as he follows the clues to a strange mansion on the other side of town. Let's just say the temporary caretakers of 83 pick the wrong time for a friendly game of paintball.

Mark's out of the military, with his boring, safe civilian job doing explosives consulting. But you never really get away from war. So it feels inevitable when his old army buddy Jason comes calling, with a lucrative military contract for a mining job in an obscure South-East Asian country called Quanlom. With no career prospects and a baby on the way, Mark finds himself making the worst mistake of his life. What awaits him in Quanlom is weirdness of the highest order: a civil war led by ten-year-old twins wielding something that looks a lot like magic, leading an army of warriors who look a lot like gods. FROM COMIC BOOK LEGEND, GRANT MORRISON, COMES "18 DAYS", THE STORY OF THREE GENERATIONS OF SUPER-WARRIORS, MEETING FOR THE FINAL BATTLE OF THEIR AGE. 18 DAYS FOLLOWS THE COURSE OF THE CLIMACTIC WAR THAT CONCLUDES THE AGE OF THE GODS AND BEGINS THE AGE OF MAN.

"This is not a Lord of the Rings or a Star Wars where the good guys win because they are right. The good guys in 18 Days are forced to cheat and lie and break rules to win. Although it has fantastic, mythic trappings, this is a very modern story of realpolitik and the failure of ideals in the face of harsh truth." - GRANT MORRISON

DIFFRENT UGLINESS DIFFRENT MADNESS HC

(W/A/CA) Marc Males

America, 1930, the Golden Age of Radio. A stunningly beautiful woman, Helen, travels aimlessly, across the United States, taking the first train that comes without knowing the destination. Her path crosses that of the reclusive Lloyd Goodman, better known as the attractive and sexy voice of the "playboy of radio." But he has a secret. His voice is as dazzling as his face is repulsive. Lloyd, embarrassed by his appearance, disappeared from the limelight. As Helen struggles with the terrible memories of a personal trauma, her meeting with Lloyd will change their lives forever. Marc Malès's lyrical prose and expressive art tell a heart-wrenching story of the healing power of human connection. (STK689967) (C: 0-0-1) **NOTE:** Not Available in the UK or India.

SNOW BLIND #1

BOOM! Studios

I think there comes a time when every kid might think that it would be really cool if they could be living a life other than their own. Maybe their family would have a little more money, a cooler neighborhood, or maybe they have super powers but sometimes that other life might choose you and send you yearning for the life you once had.

Teddy is an average American teenage boy living in a small country suburb. There are millions of others living lives just like him except that Teddy is living his life in Alaska and he's bored out of his mind. In an innocent enough move he uploads a photo of his Dad to Facebook only to learn the dangers sharing personal information on social media. The world isn't as big as it once was and everyone can be just a few clicks away if someone is determined to find someone. His father is recognized and it turns out the life he's been living is a gigantic lie. Without his knowledge he has actually been enrolled in the witness protection program. His family is hiding and for very good reason. It doesn't take long for his father's past to come full circle as a man comes to their town seeking revenge for some wrong Teddy cannot even fathom.

With questions circling about his Father's innocence and dangers from the past rising around them Teddy is about to find out that once you switch gears to the fast lane you might not be able to hit the brakes. Be sure to pick up *Snow Blind* from BOOM! Studios and writer Ollie Masters (*The Kitchen*) and artist Tyler Jenkins (*Peter Panzerfaust*) this December!

ILLUSTRATED • BY
P. CRAIG RUSSELL
THE HAPPY PRINCE

Now in paperback! *The Happy Prince* is arguably the most famous and well loved of Oscar Wilde's nine fairy tales. The Happy Prince has died young and his soul inhabits a beautiful ruby encrusted statue covered all over in gold leaf. From his perch high above the city he is witness to all the poverty, misery, and hopelessness in which his people have been living. When a small barn swallow in flight to the warm south ahead of the approaching winter stops to rest upon the statue the Happy Prince prevails upon him to delay his travels in order to remove his gold leaf a piece at a time and shower it upon the poor citizens. As the days pass the Prince's beauty is stripped away and as winter sets in the bird's fate is sealed. In the spring the townspeople finding only a dull statue with a broken lead heart and a dead bird consign the worthless objects to the ash heap. Only an emissary of God recognizes them as the most valuable treasures of the city and brings them to the gardens of heaven. (STK689851)

THE TESTAMENT OF SISTER NEW DEVIL VOLUME 1 GN

(W) Tetsuo Uesu
(A/CA) Kashiwa Miyako

When his oddball father suddenly decides to remarry, high school student Toujo Basara is about to acquire some very peculiar new family members. Enter his new seductive step-sisters, Mio and Maria. When Basara discovers that one of his step-sisters is a succubus, and his other a recently crowned demon lord, all hell breaks loose! Basara is almost forced into a contract with his demonic sisters where he would act as their eternal servant — but something goes wrong. Instead, a reverse contract is formed, and Basara becomes the master. Between fending off their seductive advances to coping with the attacks of rival demon contractors, Basara has a big learning curve if he is to survive. (STK687724)

REPLICA #1

Aftershock Comics

After 21 years here at Diamond and over 50 years of reading comics I seldom get excited by a new comic company coming onto the scene. DC was it and then Marvel was added to my spinner rack must-haves but then it stayed the same until Tower Comics and Charlton's Action hero line and then the 80s and First Comics, Comico, Eclipse, and Pacific and the Direct Market made it a new Golden Age of Comics.

Now with Aftershock Comics coming on board previews this month I feel excited as they have four new titles and I want to read every one of them. Because ***PREVIEWS***' theme this month is Science Fiction and Fantasy I'm focusing on *Replica* #1 by Paul Jenkins and Andy Clarke.

Paul Jenkins takes cloning to another level with Trevor Carter, an Earth-born peacekeeping agent on the intergalactic hub known as The Transfer (I kept thinking of Cynosure). When Trevor's assignments get to be a bit much and his partner would almost make you wish for Ambush Bug, he turns to REPLICATION, a single clone could only be helpful. But 13 drinks and 49 clones later… well, he's no Jaime Maddox or Michael Keaton from *Multiplicity*.

Written by Eisner-award winning author Paul Jenkins (*Wolverine: Origin*, *The Incredible Hulk*, *Spider-Man*) and artist Andy Clarke (*Batman*, *Judge Dredd*), *Replica* #1 from Aftershock Comics starts this new publisher with a solid monthly series.

This is a great start for Aftershock and along with Marguerite Bennett and Ariela Kristanntina on *InseXts* #1; Jimmy Palmiotti, Amana Connor, and Rafael De Latorre on *Super Zero* #1; and a new war one short *Dreaming Eagle* by Garth Ennis and Simon Coleby my buying list has improved immeasurably.

MIXTAPE #3
(W) Brad Abraham
(A/CA) Jok, Gervasio
Road trip! Terry and Noel travel to the nearby college town crawling with babes and record stores, to attend a rock concert by an up-and coming band. So why are they so miserable? Probably because these lifelong friends don't want to admit publicly what both have realized privately; they've already begun to drift apart. (STK689776)

How about I go up there and make a deal of my own?
Not now, Zeb.
Hera, you can't make that kind of a deal.
Think I can, Kanan.
I accept your offer, Vez. But no laser usage in there. Agreed?
Agreed.
I thought you would say yes. See you out in the rocks.
Should've let me go up there and had a quiet word or two with him.
I had no choice. Vez threatened all of us and you know he would have turned us over to the Empire for the money.
Even with our current damage I can beat this guy. I know I can.
If I'd known Hera was going to say yes I might have let you.
What's Fool's Run?
Vez's private race course, in between the asteroids that make up the planet's rings. It's very difficult.
But Hera's a great pilot. If anyone can pull this off, she can.
Ezra, no one's ever beaten Vez on this course.
Believe me, thousands have tried and all have failed.

ALL ABOUT STREET FIGHTER UNLIMITED
with series writer KEN SIU-CHONG

HOW MANY ISSUES WILL *STREET FIGHTER UNLIMITED* RUN?
The plan is for Unlimited to be an ongoing series, so hopefully a lot! We have an initial 12-issue story planned that I think fans will get a massive kick out of.

WHO IS HANDLING THE ART FOR THE SERIES?
The series is divided into three 4-issue arcs with **Joe Ng** *(STREET FIGHTER ORIGINS: AKUMA)* and **Edwin Huang** *(SKULLKICKERS)* tag teaming. Joe will be the lead artist for the first arc, then Edwin will take on the second, and Joe will bring us home for the third. They're both doing some of their best work and I hope the fans are as excited to see the story brought to life as I was when I first saw the pages!

HOW DOES STREET FIGHTER UNLIMITED RELATE TO UDON'S PAST STREET FIGHTER COMICS?
From the beginning, Unlimited was planned to be very new reader-friendly, but those who have stuck with us from the beginning will be in for the biggest payoffs. The Street Fighter III and Street Fighter IV story threads that we laid down over the last few years finally culminate in an epic finale that I'm truly excited to finally deliver to the fans. Even elements from the very first UDON Street Fighter series will finally be tied up. Everything in the Street Fighter comics over the last decade has led us toward what happens at the end of these 12 issues.

WHAT CHARACTERS CAN WE EXPECT TO SEE APPEAR IN THE SERIES?
Everyone and the kitchen sink! Along with Ryu's storyline following the path of the warrior, there is also Alex tracking down Gill's Secret Society, and eventually bringing together almost everyone from the Street Fighter universe. Some of the most fun I've had has been getting to mix and match characters in the comics who've never met each other in the games like Dee Jay and Elena, as well as exploring some of the lesser-known and mysterious characters like Gill's assistant, Kolin, or Necro's girlfriend, Effie. And of course expect plenty fan favorites like Chun-li, Cammy, Guile, Ken, Juri, and Akuma to all play a part in the series.

CAN WE EXPECT ANY TIES TO THE NEW *STREET FIGHTER V* GAME?
Capcom's had us swear to secrecy concerning anything Street Fighter V-related, but readers can expect a surprise or two along the way!

DOCTOR MIRAGE
SECOND LIVES

In time, even the dead may die...and, now, after multiple 2015 Harvey Award nominations, the most sought-after couple in comics returns with an all-new adventure from Eisner Award-nominated writer Jen Van Meter (*Hopeless Savages*) and acclaimed artist Roberto de la Torre (*Daredevil*)!

Occult investigators Shan and Hwen Mirage lived their lives in the thrall of an epic love that few will ever have...until Hwen died tragically before his time. Now, after a perilous trip through the underworld, Shan and Hwen have been reunited...but Hwen is still an intangible spirit of the dead - incapable of opening a spell-book or even touching his wife.

Their options exhausted, the death-defying Doctors Mirage are about to enact a dangerous spell to restore Hwen's solid form...and grant his ghost a second life. But, in the wrong hands, their ancient rite will become a tool of terror - and unleash a force of pure, homicidal evil that lusts for the murder of the living and the dead alike...
a torturous death that obliterates not just everything a person ever had in this world, but everything their ghost will be in the next!

ALL-NEW JUMPING-ON POINT! A SPECIAL FOUR-ISSUE EVENT! "OPERATION: DEADSIDE" STARTS HERE!

In December of 2015, a covert military intelligence unit sent a team of 20 agents and one special operative into a parallel dimension. Only one came back.

The purpose of their mission was classified. Now, out of options, MI-6 has recruited their most elite operative - codename: NINJAK - to follow the doomed mission's sole witness back into the dimension called Deadside...and bring her missing teammates home.

What will they find there? And who will be waiting for them?

Jump on board here as New York Times best-selling writer Matt Kindt (DIVINITY) and superstar artist Doug Braithwaite (ARMOR HUNTERS) reunite for a terrifying journey into an unknown plane of existence...and bring NINJAK head-to-head with SHADOWMAN in the all-new, four-part epic "OPERATION: DEADSIDE"!

Plus: an all-new chapter of "THE LOST FILES" begins, featuring explosive artwork by Juan José Ryp (*Clone*)!

"THE VINE IMPERATIVE" pushes our world to war!

With his resources spread thin and his time running out, Toyo Harada must strike if his plan to save the world by force will ever succeed. After a push to take more of the African continent - deposing corrupt governments and toppling extremists - Harada's moves on the world stage were too bold to ignore. The alien agents of the Vine race, who were entrenched throughout the global power structure, have seen their opportunity to strike...and Harada now has his opportunity to break their tenuous pact of peace and take them down.

But with a specialized Vine killer among his own team - the ruthless and lethal Lord Vine-99 - will Harada be able to hold tight the grip on his monster's leash... or will LV-99 turn on his master at last?.

That's the question Ninjak was sent to answer when he was dispatched to destroy terrorist organization Weaponeer from the inside out. As these mysterious new enemies make their move, Ninjak goes on a globe-spanning race against time to stop their machinations. Plus: discover how Colin King and Neville Alcott first met - and the deadly secret Neville has kept from Colin as NINJAK: THE LOST FILES continues.

Start reading here as New York Times best-selling writer Matt Kindt (DIVINITY, *Mind MGMT*) and red-hot artists Clay Mann (*X-Men: Legacy*), Raúl Allén (BLOODSHOT REBORN), Juan José Ryp (*Clone*) and Stephen Segovia (*Superior Carnage*) begin a pivotal new chapter of the year's smash-hit new series!

ARCHER & ARMSTRONG DELUXE EDITION BOOK 2 HC

New York Times best-selling writer Fred Van Lente (IVAR, TIMEWALKER) and all-star artists Pere Pérez (UNITY), Khari Evans (HARBINGER) and Clayton Henry (HARBINGER WARS) join a jam-packed roster of special guests for the second oversized hardcover collection of the Harvey Award nominated series io9 calls "the best damn comic".

For centuries, the cloak-and-dagger coalition of conspiracies collectively known as The Sect has worked together to bring silent oppression and undercover tyranny to a world that thought it was free. But, now after centuries of profit sharing and uneasy alliances, the factions of The Sect are about to erupt into open conflict...and the only men that can end the insanity are Archer & Armstrong! Too bad they're fighting for different sides! Why? How? And will either survive? The secrets of Valiant's seminal series are about to come to light - and you won't believe the top-secret, classified, totally hush-hush conclusion their latest history mystery has in store!

Featuring backup stories from red-hot creators Ray Fawkes (*Batman: Eternal*), John Layman (*Chew*), Karl Bollers (*Watson and Holmes*), Rafer Roberts (*Car Pool Buddies of Doom*) and more, the madcap finale of Archer & Armstrong's conspiracy-busting series is re-presented in its entirety in a prestige-sized hardcover packed with 20+ pages of rarely seen bonus materials and special features!

PIPPI LONGSTOCKING: THE STRONGEST IN THE WORLD!

Drawn & Quarterly

Thank heavens for krumalura pills. They look like peas, but if you eat one you can keep on playing until you're a hundred! It's true! Just look at Pippi Longstocking. She's 70 this year and she's still the strongest girl in the world.

She's also the most relevant life coach in the world. Drawn & Quarterly has collected all the Pippi Longstocking comics in one book to help show us the way. Anti-authoritarian, free-thinking, free-spirited, self-sufficient, and an animal rights advocate of the fiercest sort, Pippi is an ideal role model for independent people. Don't let anyone stifle you, Pippi! Not the old ladies drinking coffee; not the angry police officers; not the grouchy school teacher; not even the hungry sharks and wild boars.

Admittedly, very few of us can take Pippi's life lessons literally. The girl fought a tiger barehanded, after all. However, we can aspire to her level of confidence. We can rejoice in her soaring whimsy. We can admire the graceful way she accepts new facts and circumstances into her life and adapts without anger. And we can try those things for ourselves and stay young at heart, playing until we're a hundred. So pick up a copy *Of Pippi Longstocking: Strongest In The World*, get a glass of water, and take your krumalura pill with me. Just say, "Dear little krumalura, I don't want to grow up, never ever!"

(A/CA) Nanao
The world of *ayakashi* — spirits and creatures from Japanese folklore — comes to life in this modern dark fantasy manga adaptation of the hitotome visual novel from HaccaWorks*! Sheltered Yue, born and raised in a Shinto shrine, is forbidden from leaving the shrine grounds he and a number of other curious residents call home. One day, Yue breaks the rules and wanders down the mountain and into a winter festival. As he takes in the sights and sounds of the human gathering, all the people making merry appear in a uniform guise to Yue's eyes — that of black bestial shadows — until he crosses paths with two human boys, Tsubaki and Akiyoshi. Yue is eager to make friends with them. However, upon his return home, the shrine goddess informs him that he may pursue these friendships — but only in preparation for the "meal" — for which he must select one of his two new friends as the main course! THE ART OF PLOOG HC

(W) Mike Ploog & Various (A/CA) Mike Ploog

Certified Cool

FPG publishes the long-awaited Mike Ploog retrospective art book, *The Art of Ploog*. This comprehensive art book is an oversize 9" x 12" retrospective that covers every aspect of Ploog's career, from his earliest days of working with *Leatherneck Magazine* while still a young man serving in the Marines, to his extremely popular work in comics and film, right up through his latest work on *Goliath*. *The Art of Ploog* will contain hundreds of pieces of art, as well as commentary by the likes of Ralph Bakshi, John Carpenter, Frank Oz, Roy Thomas, and the master himself; Mike Ploog. Included is work he did for Marvel comics (including *Frankenstein*, *Ghost Rider*, and *Man-Thing*) as well as a wide range of his film work on animated features (such as *Lord of the Rings*, *Shrek*, and *Wizards*) and live-action features (including *Little Shop of Horrors* and *X-Men*). The book will also contain paintings he worked on for the collectible card games *Guardians* and *Magic the Gathering*, most of which have never been reproduced larger than trading card size. This is the ultimate collection spanning Ploog's entire career. Also available in a signed and numbered edition, limited to 250 copies. (STK688494) (C: 0-1-0)

JUXTAPOZ WILD HC
(W/A) Various
Favorite *Juxtapoz* artists fill the pages of *Juxtapoz Wild* with portrayals of beasts great and small. No spotted elephants or pink balloon poodles. Banish any thoughts of grapes and dead game on a platter. These paintings evoke the full range of Mother Earth's creatures as they both murmur and roar amongst the foggy haze and moss-covered reaches of her landscapes. Artists like Sage Vaughn, Josh Keyes, Laura Ball, Martin Wittfooth, Andreco, and Cathie Bleck give shape, vibrant color, and shades of meaning to the most humble or humbling creatures. *Wild* is a book to enjoy and study as it depicts the furry and feathered beauty made ever more fragile in our changing world. DEATH, DISABILITY, AND THE SUPERHERO
THE SILVER AGE AND BEYOND
José Alaniz

DEATH, DISABILITY, AND THE SUPERHERO SC
(W) José Alaniz
Beginning in the Silver Age, the super-hero genre increasingly challenged and complicated its hypermasculine, quasi-eugenicist biases through such disabled figures as Ben Grimm/The Thing, Matt Murdock/Daredevil, and the Doom Patrol. Alaniz traces how the superhero became increasingly vulnerable, ill, and mortal in this era. He then proceeds to a reinterpretation of characters and series — some familiar (Superman), some obscure (She-Thing). Death and disability, presumed routinely absent or denied in the superhero genre, emerge to form a core theme and defining function of the Silver Age and beyond. (STK688256)

Edited by DARRAGH GREENE and KATE RODDY

GRANT MORRISON AND THE SUPERHERO RENAISSANCE: CRITICAL ESSAYS SC
Super-heroes are enjoying a cultural resurgence, dominating the box office and breaking out of specialty comics stores onto the shelves of mainstream retailers. A leading figure behind the Renaissance is Grant Morrison, long-time architect of the DC Comics' universe and author of many of the most successful comic books in recent years. Known for his eccentric lifestyle and as a practitioner of "pop magic," Morrison sees the superhero as not merely fantasy but a medium for imagining a better humanity. Drawing on a variety of analytical approaches, this first-ever collection of critical essays on his work explores his rejuvenation of the figure of the superhero as a means to address the challenges of modern life. The Art of the Political Swamp
Walt Kelly and POGO
James Eric Black
Foreword by MARK BURSTEIN

WALT KELLY AND POGO: THE ART OF THE POLITICAL SWAMP SC

(W) James Eric Black (CA) Walt Kelly

One of the most popular comic strips of the 1950s and the first to reference politics of the day, Walt Kelly's *Pogo* took on Joe McCarthy before the controversial senator was a blip on Edward R. Murrow's radar. The strip's satire was so biting, it was often relegated to newspaper editorial sections at a time when artists in other media were blacklisted for far less. *Pogo* was the vanguard of today's political comic strips, such as *Doonesbury* and *Pearls Before Swine*, and a precursor of the modern political parody of late night television. This comprehensive biography of Kelly reveals the life of a conflicted man and unravels the symbolism and wordplay of his art for modern readers. (STK688504) (C: 0-1-0)

MATTHEW FIELD & AJAY CHOWDHURY

The first biography of the making of the James Bond series, drawing on hundreds of unpublished interviews with the cast and crew. For over 50 years, Albert R. Broccoli's Eon Productions has navigated the ups and downs of the volatile British film industry, enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series. Against all odds the filmmakers continue to wring new life from the series, and 2012's *Skyfall* saw both huge critical and commercial success, crowning 007 as the undisputed king of the action genre. *Some Kind of Hero* recounts this remarkable story, from its origins in the early 1960s right through to the present day, and draws on hundreds of unpublished interviews with the cast and crew of this iconic series. THE BLACK BAT DOUBLE NOVEL VOLUME 2: THE BLACK BAT STRIKES AGAIN SC

(W) Norman A. Daniels & Various
(A/CA) Harry V. Parkhurst

Sanctum Books presents two more 1939 novels starring the cowled crimefighter whose adventures paralleled Batman's and inspired Two-Face's origin, written by Norman A. Daniels as "G. Wayman Jones" for future *Batman* editors Mort Weisinger and Jack Schiff. First, mass murders set the Nemesis of Crime in pursuit of a ring of satanic killers as "The Black Bat Strikes Again." Then, "The Black Bat's Challenge" is to unmask the hidden leader of a vicious gang of beggars! Plus, "The Mask Returns!" in a rare 1940 Golden Age classic from Nedor's *Exciting Comics* #2. DOC SAVAGE DOUBLE NOVEL VOLUME 86 SC

(W) Lester Dent & Various (A) Paul Orban (CA) Robert G. Harris, Charles J. Ravel

The pulp era's legendary superman returns in two action-packed thrillers by Lester Dent. First, just as evidence of their evil deeds materializes, unscrupulous Wall Street financiers disappear, victims of a vengeful monster called "The Sea Angel," in an expanded novel with never-before-published prose from Lester Dent's original manuscript. Then, an urgent plea from a powerful politician lures Doc Savage to Kansas City to unmask the diabolical Mr. Jones. (STK689464)

THE SHADOW DOUBLE NOVEL VOLUME 102 SC

(W) Maxwell Grant & Various
(A) Paul Orban (CA) Modest Stein

The Shadow crisscrosses the country battling thieving black marketeers in two wartime thrillers by Walter B. Gibson. First, the enigmatic "King of the Black Market" endangers the future of our nation at the time of its greatest peril. Then, coast-to-coast car thefts sabotage the war effort until The Shadow shuts down the subversive "Crime Caravan." Plus, a lost *Shadow* classic from the Golden Age of Radio, and a rare illustrated adventure of Iron Munro by Theodore Sturgeon! (STK689465)

THE DARK KNIGHT RETURNS: FRANK MILLER GALLERY EDITION

The original art from Frank Miller's defining Batman epic is revealed in all its glory in Graphitti Designs' THE DARK KNIGHT RETURNS: FRANK MILLER GALLERY EDITION. This 216-page oversized hardcover edition displays Miller's legendary artwork—inked by Klaus Janson—just as it was originally crafted in 1986. Interior and cover art from all four of the series' Prestige format issues are accompanied by related works as well as previously unpublished, never-before-seen Dark Knight pieces, making this new Gallery Edition the definitive overview on Miller's classic work.

Measuring 13" by 20", this deluxe Smythe-sewn volume is printed at an ultra-sharp 200 lines per inch on heavy paper stock to closely approximate the look and feel of the original art boards.

THE DARK KNIGHT RETURNS: FRANK MILLER GALLERY EDITION can be ordered in the DC Comics section of the order form. Additional information can be found in the DC Comics pages in this month's PREVIEWS.

STAR WARS: SANDTROOPER 1/6-SCALE STATUE

A Gentle Giant Release! Imperial Stormtroopers that were deployed to distant desert worlds, often called Sandtroopers, were specially equipped to survive in hostile environments without close support from other Imperial units. It was a Sandtrooper garrison stationed on Tatooine that discovered the fugitive droids R2-D2 and C-3PO just as they blasted off the planet surface on the *Millennium Falcon*. Sculpted by Gentle Giant's master artisans, the Sandtrooper statue stands 12" tall in 1/6-scale and is depicted on patrol in the harsh landscape of Tatooine. Each limited edition hand painted piece is cast in high quality polyresin with crisp injection plastic details. This statue also comes individually numbered with a matching Certificate of Authenticity. ALIENS VS. COLONIAL MARINES ARMY BUILDER

A Diamond Select Toys Release. Grind 'em into the dirt in your backyard, melt 'em with a magnifying glass in the sun, or … *what are you doing, these are valuable collectibles!* That's right — for the first time, the classic "bag of plastic army men" gets the Weyland-Yutani treatment. Over a dozen Colonial Marines battle an overwhelming number of alien xenomorphs (and a couple of Queens) in this traditional set based on the 1986 film *Aliens*. Each figure stands about 2" tall, the same scale as classic "army men," so they can be mixed, displayed and played with any other set of plastic military figures. Created by EMCE Toys for Diamond Select Toys, it's one of the first of EMCE's "Microforce" form factor to be applied to a famous movie franchise. DC SUPER POWERS MICRO-FIGURES SERIES 1

A Gentle Giant Release! In 1984, Kenner began to release their extremely popular action figure lines, the *DC Super Powers Collection!* This line included heroes such as Batman, Superman, Wonder Woman and many, many more. Gentle Giant Ltd. presents the *DC Super Powers Micro Figure* as the newest offering in this stunning line of retro figures. Series 1 includes *Batman, Robin, Joker,* and *Flash* micro-figures. Gentle Giant Ltd. has taken the original DC Super Powers Flash figure and created a highly accurate digital model with the use of 3D scanners. This digital model was then scaled to 3" tall, and then molds were printed using top of the line 3D Systems printers. The figures will be made from high quality ABS plastic. Many of the figures will also include fabric capes and accessories. Finally, these incredible figures will feature retro art packaging, and come in a protective re-sealable blister pack. ELEMENT PLUSHES

From DKE. The ancients believed the world was composed of four elements — Earth, Air, Fire, and Water. DKE brings these four elements to life with four new plushes. *Earth* is known to be calm, practical, wise and patient; you can find peace if you spend time with it. *Air* is kind, intellectual and social at its core; it's often thoughtful and gentle but it can be suddenly overtaken by a storm of emotion! *Fire* burns hot with passion and enthusiasm; it can be brave, valiant and often rebellious. *Water* is full of emotion and empathy; though it can be a bit cold, moody, and sensitive at times, as long you show it a little love, it can be warm to the touch. Made with super soft plush and filled polyester fibers conjured by magic (not really), this plush measures approximately 8" x 5" (12" x 5" with legs included). BLACK PANTHER FINE ART STATUE

MARVEL COMICS PRESENTS KOTOBUKIYA COLLECTION BLACK PANTHER FINE ART STATUE

The latest elite Fine Art Statue in the Marvel Comics Presents Kotobukiya Collection adds a classic Avenger and royal hero with the mighty **BLACK PANTHER!** Lurking in the shadows and preparing to strike, Black Panther crouches on ancient ruins and keeps watch over his prey. The Avenger wears his iconic Wakandan vibranium costume, a sleek black bodysuit with integrated gloves, boots, and full mask plus a high collar and long cape. T'Challa watches intently through the menacing white eyes of his costume, and the outfit is accented with golden claws, belt, necklace of office, and feline-inspired armbands. Displaying the grace and patience of his namesake, Black Panther is tense and ready to attack with muscles taught and claws spread. The Avenger is intricately detailed with piping and creases on his costume, the subtle expression on his face through his mask, and of course his glorious flowing cape. Black Panther is approx.12 inches tall (1/6 scale) crouched atop a beautiful georama display base of an ancient panther statue overgrown with foliage. Display this incredible version of T'Challa alone or alongside other Avengers Fine Art Statues from Kotobukiya!

VIDEO GAMES

BLOODBORNE: HUNTER 1/6-SCALE PVC FIGURE
From Gecco. Thoroughly supervised by FromSoftware, all the details of the protagonist *Hunter* from *Bloodborne* — dressed in his "Hunter Set" — are faithfully sculpted. The main visuals of the video game's jacket is recreated as a fine art statue, capturing both the front and picturesque back side. His "Saw Cleaver" is armed in his right hand, and "Hunter Blunderbuss" is in his left hand. The saw can transform into a cleaver, just like in the video game. Cobblestones and puddles are recreated on the round base, capturing the video game's world and unique gothic atmosphere. The sculpture also captures the character's heroic yet subtle posture standing amidst the deadly "plagued" air of the environment. (STK688492) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in January 2016. (3293) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.
PVC Figure $299.99

BLOODBORNE: HUNTER "PUDDLE OF BLOOD" 1/6-SCALE PVC FIGURE
From Gecco. M. Rollin (*Kesaran Pasaran*) joined the creative team as a guest painter and took great care capturing the blood effects in this unique release, balancing the bloody and violent world of *Bloodborne* with the subtle moody atmosphere. The special bloody paint work was carefully designed to accentuate the sculpture while staying away from the often clichéd violence and gore. The puddle on the base of the original version is replaced with a splattering of blood, and the Hunter is also splashed with blood after slaying the beasts. The special color version of "Puddle of Blood" is limited to only 1,200 pieces worldwide. (STK688493) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in March 2016. SILENT HILL 2:
RED PYRAMID THING FIGMA

From FREEing. Silent Hill's executioner, finally joining the figma series! From the highly acclaimed horror game *Silent Hill 2* comes a figma of the famous *Red Pyramid Thing,* also known as "Pyramid Head" — easily the most popular monster in the series! A flexible plastic is used for important areas, allowing proportions to be kept without compromising poseability. The Pyramid Head's symbolic "Great Knife" and "Spear" are both included along with a number of hand parts. Alternate neck parts are also included to recreate different scenes from the game, and an articulated figma stand is included. (STK658098) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in January 2016. (6817/4571245295217) (C: 0-1-2) **NOTE:** No countries actually denied.

WARHAMMER 40K: SILVER SKULLS: PORTENTS SC

(W) Sarah Cawkell
The Silver Skulls Space Marine Chapter deploy on the world of Valoria Quintus to combat an insurrection backed by the dread forces of the Traitor Legions. Sent there by the visions of their Prognosticars, the mysterious psykers whose premonitions decree the path forged by the Chapter and the wars that they wage, they expect victory to be swift and easy. But they have not reckoned with their own allies, the servants of the Inquisition who are interested in the Prognosticars, their importance within the Chapter and the possibility that the Silver Skulls may be being manipulated by the very powers they fight against! Deep within the twisted hell-storms of the warp lies the demon world of Torvendis, a planet damned by the dark powers of Chaos. Battle has raged for so long that a strata of war dead lies within the very rocks. But the arrival of a stranger threatens to upset the balance of power currently held by Lady Charybdia, princess of Slaanesh and as discontent becomes revolt, revolt turns to bloody revolution. But are the stranger's motives as straightforward as he claims or do the fickle powers of Chaos have one last trick to play? (STK690746) (C: 0-1-2)

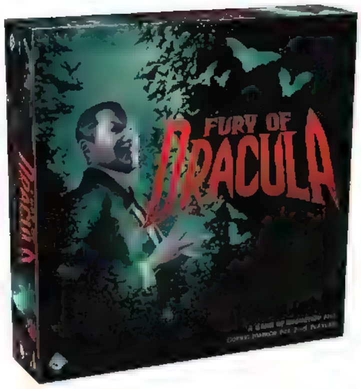
FURY OF DRACULA 3RD-EDITION BOARD GAME

The king of the Un-Dead rises again in this third edition of *Fury of Dracula*, a board game of deduction and gothic horror based on Bram Stoker's classic novel. One player takes control of Count Dracula as he spreads his diabolical vampirism throughout Victorian-era Europe. Up to four other players govern Mina Harker and her determined companions as they strive to find and destroy the Count. In this heated game of cat and mouse, turnabout is fair play, and the hunted may prey on his hunters. (STK690762) (C: 0-1-2) **NOTE:** Not available in Canada, UK, Germany, France or Spain.
Board Game Expansion............$59.95



DESCENT: JOURNEYS IN THE DARK: MISTS OF BILEHALL EXPANSION

Venture into the Mistlands of Terrinoth in *Mists of Bilehall*, a new expansion for *Descent: Journeys in the Dark!* A full, one-act campaign is included in this expansion, although no new heroes or hero classes are introduced. Instead, this expansion has been configured to enhance the powers of darkness in Terrinoth. To that end, the overlord's army gains twelve sculpted plastic figures — six reanimates, three broodwalkers, and three bone horrors. Old walls, crumbling terrain, and Tainted cards all add to the uncertainty of the Mistlands. Enter Waiqar's domain in Mists of Bilehall! (STK690752) (C: 0-1-2) **NOTE:** Not available in Canada, UK, Germany, France or Spain.
Expansion Pack (FFG DJ40)..$39.95

DESCENT: JOURNEYS IN THE DARK: TREATY OF CHAMPIONS PACK

Join your fellow heroes to battle an ancient demon in the *Treaty of Champions Hero and Monster Collection* for *Descent: Journeys in the Dark!* Four heroes unite to defeat this deadly threat, while the overlord player gains ten monster figures, including the brand-new crow hags, which enter Descent for the first time in this expansion. Two new quests, Sindaea's Secret and Treaty of Champions, chronicle the heroes' struggle to bind a powerful demon and stop an ancient evil from reappearing. Become a champion and save Terrinoth in this Hero and Monster Collection! (STK690751) (C: 0-1-2) **NOTE:** Not available in Canada, UK, Germany, France or Spain.
Expansion Pack (FFG DJ32)..$34.95

STAR WARS: X-WING: THE INQUISITOR'S TIE EXPANSION PACK

Personally tasked by Darth Vader to eliminate any surviving Jedi Knights, the Inquisitor had access to the Empire's most advanced technologies, including the TIE Advanced prototype, a groundbreaking improvement over the TIE fighter designs of its time. In *X-Wing*, this lethal starfighter appears as a carefully detailed and prepainted miniature at 1/270-scale, along with four ship cards, including one for the Inquisitor himself. Additionally, the *Inquisitor's TIE Expansion Pack* contains five upgrades, a maneuver dial, and all the tokens you need to launch into space and pursue your foes through the stars! WARHAMMER 40K: CONQUEST LCG: WHAT LURKS BELOW WAR EXPANSION

The space hulk Kaerux Erameas has landed on Sacaellum, and a host of Tyranids have caught the scent of blood. *What Lurks Below* is the fourth pack in the *Planetfall* cycle, and here you'll find cards that give new significance to planet symbols and invite you to fight for your faction's goals. This War Pack also offers a new Tyranids Genestealer warlord and his eight-card signature squad as well as fifty-one other cards to swell your armies. In *What Lurks Below*, every faction gains new ways to wage war and new reasons to fight. (STK690788) (C: 0-1-2) **NOTE:** Not available in Canada, UK, Germany, France or Spain.

WARHAMMER 40K: DARK HERESY RPG: ENEMIES WITHOUT

Despite countless Wars of Purgation, the xenos threat grows in the Askellon sector. Against these monstrous beings, there stands only the Ordo Xenos. With the *Enemies Without* supplement for *Dark Heresy* Second Edition, you and your fellow Acolytes can take your places in the Ordo Xenos and stand against the heresy brought by these aliens. *Enemies Without* offers plenty of details on the xenos races of *Warhammer 40,000*, offering you dozens of opportunities for staging investigations or purging the alien. With new backgrounds, roles, and a focus on vehicles, Enemies Without is a tool for every Acolyte! (STK690792) (C: 0-1-2) **NOTE:** Not available in Canada, UK, Germany, France or Spain.

THE KINTARGO CONTRACT

PATHFINDER ADVENTURE PATH: HELL'S REBELS PART 5 OF 6: THE KINTARGO CONTRACT

The Silver Ravens have defeated Paracount Barzillai Thrune and liberated the Silver City of Kintargo, but unless steps are taken to protect what they've won, it's just a matter of time before the rulers of Cheliax respond with open war. The key to Kintargo's defense lies in the lines of a single sprawling scroll recovered from the Church of Asmodeus — the Kintargo Contract. Within this contract's rules and stipulations lie numerous loopholes and opportunities to use Cheliax's own love of law against them. Yet as the heroes set about securing these loopholes, an old menace from Kintargo's past seizes the opportunity to strike while the city still reels from its recent upheavals! *The Kintargo Contract* is a Pathfinder Roleplaying Game adventure for 13th-level characters. CHELIAX,
THE INFERNAL EMPIRE

PATHFINDER CAMPAIGN: CHELIAX THE INFERNAL EMPIRE

For centuries, the empire of Cheliax stood as an example of the greatness humanity could achieve, with colonies and vassal states spread throughout the Inner Sea region. When the god Aroden died on the eve of his prophesied return to the mortal world, the empire fell into a vicious civil war. The victors of this conflict were the Thrice-Damned House of Thrune, who made pacts with the denizens of Hell to wrest control of Cheliax. Explore the vast nation and its inhabitants, from the gnomes of Brastlewark to the xenophobic, winged strix of Devil's Perch; from the rebellious citizens of Kintargo to Thrune loyalists in the heart of Egorian. A perfect supplement to the *Hell's Rebels* and *Hell's Vengeance Adventure Paths*, *Pathfinder Campaign Setting: Cheliax, The Infernal Empire* is a must-have! (STK686900) (C: 0-1-2)

PATHFINDER PLAYER COMPANION: AGENTS OF EVIL

Not every protagonist is a hero! Get the tools to carry out dark deeds for even darker employers in *Pathfinder Player Companion: Agents of Evil!* Sometimes player characters are less interested in defeating evil and making the world a better place, and more interested in working for the winning side, avoiding the consequences of bucking the system, and definitely getting paid! Inside this book you'll find discussions of what it means to carry out evil plans (especially for characters not themselves evil), new character options for PCs not squeamish about what patrons, gods, or other sources of power they call on, and equipment, magic items, and spells that will keep paladins from being willing to work with you! MUNCHKIN ZOMBIES DELUXE EDITION

Kill the Living! Eat their Brains! Braaiiinns! The players are zombies, kicking down doorsand eating brains. The "monsters" they're attacking are people, some helpless and some hazardous, with a few rogue zombies thrown in. The armor is whatever they've blundered across during their lurching search for brains. So bravely the munchkins go forth, with mousetraps on their feet and a bowling trophy protecting their poor rotting heads — to level up, or to die. Again. (STK690910) (C: 0-1-2)

REPLICA #1

Aftershock Comics

Aftershock Comics is coming on board with ***PREVIEWS*** this month and I feel excited as they have four new titles and I want to read every one of them: Paul Jenkins takes cloning to another level with Trevor Carter, an Earth-born peacekeeping agent on the intergalactic hub known as The Transfer. When Trevor's assignments get to be a bit much and his partner would almost make you wish for Ambush Bug, he turns to REPLICATION: a single clone could only be helpful. But 13 drinks and 49 clones later... well, he's no Jaime Madrox or Michael Keaton from *Multiplicity*.

Written by Eisner-award winning author Paul Jenkins and artist Andy Clarke, *Replica* #1 from Aftershock Comics starts this new publisher with a solid monthly series.

This is a great start for *Aftershock* and along with Marguerite Bennett and Ariela Kristantina on *InSeXts* #1, Jimmy Palmiotti, Amanda Conner and Rafael De Latorre on *Super Zero* #1, and a new war one shot *Dreaming Eagle* by Garth Ennis and Simon Coleby my buying list has increased immeasurably.

SNOW BLIND #1

BOOM! Studios

Teddy is an average American teenage boy living in a small country suburb. There are millions of others living lives just like him, except Teddy lives in Alaska and he's bored out of his mind. In an innocent moment [illegible] only to learn the dangers sharing personal information on social media. The world isn't as big as it once was and everyone can be just a few clicks away if someone is determined to find someone. His father is recognized and it turns out the life he's been living is a gigantic lie. His family is hiding and for very good reason. It doesn't take long for his father's past to come full circle as a man comes to their town seeking revenge for some wrong Teddy cannot even fathom. Be sure to pick up *Snow Blind* from BOOM! Studios and writer Ollie Masters (*The Kitchen*) and artist Tyler Jenkins (*Peter Panzerfaust*) this December!

KAIJUMAX TP

Oni Press

Did you watch the new season of *Orange is the New Black* this summer and think "Hmm...you know what would make this better – if everyone was a gigantic monster!"

Kaijumax scratches that itch. This story packs emotional prison drama told from the perspective of delinquent *kajus* of all shapes and sizes. The monsters are held prisoner on an island penitentiary, lorded over by Ultraman-like prison guards, and dealing with unending confinement.

Zander Cannon is one talented fellow, taking on both writing and art duties. The personality given to each character is meticulous and deep, while the dialogue has moments that will make you laugh out loud or fill you with sadness. The art style is reminiscent of everything that made the classic *kaju* movies great – epic in scale and fantastic to look at.

Prison dramas unearth an entirely new level of emotion. Can you trust anyone once inside? Will you ever get out? What was life like before confinement? They give us tragedies of spirit, and *Kaijumax* is a perfect example of story done well.

THE ART OF PLOOG

FPG

In the seventies when you were looking for horror comics there was Warren Magazines, DC's *House of Mystery* and *House of Secrets*, and Marvel titles like *Chamber of Chills*. While we still saw legends like Alex Toth, Gene Colan, and Steve Ditko working on those titles we also saw newcomers like Frank Brunner, Bernie Wrightson, and Mike Ploog.

Marvel found a formula of horror themes and continuing characters, and Ploog became the go-to artist for many of the 70s greatest horror based series, from *Werewolf by Night* and the Johnny Blaze *Ghost Rider* to *The Monster of Frankenstein*.

The years Mike worked under Will Eisner on PS magazine prior to his work at Warren and Marvel gave Mike a strong base in creating moody pieces of art and a strong sense of graphic storytelling as well.

While many of Mike's stories have been reprinted over the years FPG's *The Art of Ploog* provides us the most comprehensive retrospective of his art. In an oversized 9" x 12" format and over 300 pages we see Mike's work from *Leatherneck* to Marvel (*Ghost Rider, Monster of Frankenstein, Man-Thing, Planet of the Apes, Kull*, and *Werewolf by Night*), Crossgen, and Image to film work which included *Wizards* and *Shrek*.

This being FPG we get to see much of the original fantasy art he created for the trading card series he did with them in the 90s as well as art he did for collectible card games all reproduced much larger than the size of the trading cards they were printed.

The Art of Ploog features commentary by Ploog along with those he worked with in comics and film like Ralph Bakshi, John Carpenter, Frank Oz, and Roy Thomas and comes in a standard edition as well as a signed edition limited to 250 total copies.

Mike Ploog is one of the true legends of the Bronze Age of comics though everything he does is pure gold.

PIPPI LONGSTOCKING: THE STRONGEST IN THE WORLD!

Drawn & Quarterly

Thank heavens for krumalura pills. They look like peas, but if you eat one you can keep on playing until you're a hundred! It's true! Just look at Pippi Longstocking. She's 70 this year and she's still the strongest girl in the world.

She's also the most relevant life coach in the world. Drawn & Quarterly has collected all the Pippi Longstocking comics in one book to help show us the way. Anti-authoritarian, free-thinking, free-spirited, self-sufficient, and an animal rights advocate of the fiercest sort, Pippi is an ideal role model for independent people. Don't let anyone stifle you, Pippi!

Admittedly, very few of us can take Pippi's life lessons literally. The girl fought a tiger barehanded, after all. However, we can aspire to her level of confidence. We can rejoice in her soaring whimsy. So pick up a copy *Of Pippi Longstocking: Strongest In The World*, get a glass of water, and take your krumalura pill with me. Just say, "Dear little krumalura, I don't want to grow up, never ever!"

This month's featured creator is... PAUL JENKINS

Paul, please tell us a bit about yourself!
I have lived in Georgia since 2000, and love it here. My Nigh-Perfect wife, Melinda, is the most beautiful (and patient) woman on the planet. My two little guys, Little Dude and Mini Dude are the most creative, happy, looney little guys a Dad could ask for. Plus, we have a dog, two cats, and many fleas. Anyone who knows me knows I love to play golf — just had another hole-in-one last week, which makes five so far!

What are your favorite projects you've contributed to over the past decade?
In the mainstream realm, I think my favorite books were the four *Captain America: Theater of War* (*TP*—MAY100693) issues that I did for Marvel a few years back. I love military history, and I have a deep affinity for military families given my own family's background. In the independent realm, I am extremely proud of *Fairy Quest* (*Vol.1*—OCT131008) with Humberto Ramos, and *Fiction Squad* (AUG151210) with my old pal Ramon Bachs. Those books fit into a larger story I am doing set in the enchanted forest of Fablewood, and I'm happy that they fit the literal definition of "all-ages." I have had amazing responses from little kids, and people in their sixties and seventies! Oh, and *Deathmatch* (*Vol. 1*—FEB130865) was very underrated...

What are you currently working on?
In the comic space I am doing a series for Aftershock Comics called *Replica* — it's an absolute riot, and the artist, Andy Clarke, is amazing! The series is a Sci-Fi comedy set on a giant space station where the lead character makes a bad decision to clone himself in order to get his work done. After which, his life goes to crap in new and interesting ways. All of my work is autobiographical! I'm also working a lot in the animation field at the moment, and have a project being finished up at Nickelodeon right now. In addition, I am running a new studio here in Georgia, I have my first novel coming out soon from St. Martin's Press, and I am teaching at Kennesaw State University. So there's that.

What fun titles are you reading?

LUMBERJANES
OWLY
Saga

Owly (*Vol. 1*—JUL043246) by Andy Runton is the most beautiful, honest, genuine comic I think I have ever read. If Andy does a new issue, I always buy it. It's amazing. Owly speaks in pictographs, yet I think any reader will always understand what's being said. It pulls emotion from the pages. I happen to think *Owly* is pure genius. And now Andy owes me a pint.

Lumberjanes (*Vol. 1*— FEB151172) from BOOM! Studios is an absolute must. I have long decried the skewing of this industry to a male-centric audience. It makes no sense and yet it continues. But I also think this book should be viewed in the light it deserves: it happens to contain great female characters, but at its heart it is simply a great book!

And ***Saga*** (*Vol.1*—AUG120491). Because, well... *Saga*. It's amazing. I think when you get so invested in characters in such a fantastic environment then that is very pure characterization. I think others have probably said this better than I have. Go and read it!

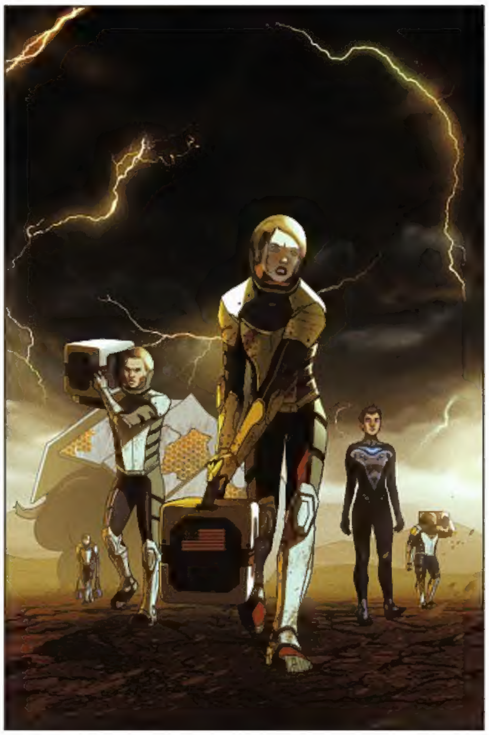
This month's featured creator is... RICK LOVERD



Rick, please tell us a bit about yourself!
I'm a writer living in the concrete wilds of Los Angeles, California. I've developed projects (mostly for TV) at many production companies in Hollywood, however all the stuff that's made it to press so far has been in comics. In addition to my writing, I direct a program of the National Academy of Sciences called "The Science & Entertainment Exchange". It puts consultants on feature films, TV shows, and video games.

What are your favorite projects you've contributed to over the past decade?
Most of my favorites never came to fruition, like a pre-*Walking Dead* zombie TV project that got excruciatingly close, but didn't quite make it. Welcome to Hollywood...

I'll always have a soft-spot for the bone-splitting gory baby that was *Berserker* (*Vol. 1*—APR100498) at Top Cow. And I probably learned the most about story and character from the work I did on *Friday Night Lights*. In my day gig, I've gotten to connect brilliant people on more than 1,300 projects from *Avengers: Age of Ultron* to *Oblivion*. I'm a part of a lot of interesting conversations with brilliant storytellers who build the worlds we love, as well as the scientific minds who are literally inventing our future.

What are you currently working on?
Well, I still consult on 3-5 film and TV projects a week in my day job. However, BOOM! Studios has given me a chance this year to work on what truly is a passion project, *Venus*. It's the most complete world I've ever dreamt up. We're in a future that's allowed us to terraform planets, but like all new technologies, the promise vastly outpaces the reality. Venus is a hostile place where simply minuscule mistakes prove fatal, and our characters struggle with the basics of survival. Filip Sablik (BOOM! President of Publishing and Marketing) and I have been talking about the details for literally years at this point. In my day gig, I get to talk to cutting-edge researchers who show me what the future will look like, and now I get to share some of the coolest stuff I know with an audience. I can't wait! There's a sprawling storyline ahead and our poor crew will endure so much; I'm thrilled to take readers on this ride.

What fun titles are you reading?

I'm loving ***Saga*** (*Vol.1*—AUG120491), ***Sparks Nevada, Marshall on Mars***, ***Sex Criminals*** (NOV140582), and ***Think Tank*** (*Vol.1*—OCT120494) these days. All great titles and well worth a read.

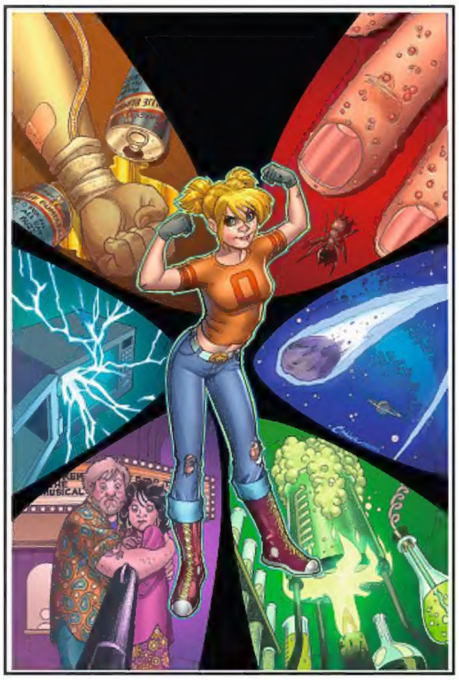
AMANDA CONNER & JIMMY PALMIOTTI

Amanda, Jimmy, please tell us a bit about yourselves!
Amanda and I met when I was hired to ink some covers of hers back in the early '90s for Marvel Comics, and we became friends overnight. A few years later, when both of us found ourselves wildly single, we started dating each other and this madness led to a long sensational love affair, a 10-year engagement that worried everyone around us, and then to a surprise wedding two years ago on a boat full of family and friends! Along the way we have worked on-and-off with each other on a number of projects including *Vampirella*, *Birds of Prey*, *Painkiller Jane*, *Power Girl*, *Terra*, and many more. We now live together with a wonderful kitty named "Devo" and share the writing duties on *Harley Quinn* and *Starfire*, both for DC Comics. We have won many awards along the way, been meeting fans while traveling all over the world, and after a long time as Brooklyn residents, we moved from a tiny apartment to an actual house in the Clearwater area of Florida where we were told that only "retired people" live. That information turned out to be false propaganda!

What are your favorite projects you've contributed to over the past decade?
Besides *Superzero*, *Starfire* and *Harley Quinn* have been a blast to work on because the company has full faith in our work — something that was earned over the years and lets us go hog-wild each and every month! We have learned to be picky with who we work for these days, and don't take on anything unless we are all-in.
What are you currently working on?
Amanda and I are very excited to be working on *Superzero*, which is an idea we actually had around six years ago and shelved to do other things because we didn't want to rush the project. When the AfterShock crew approached us to pitch them, we knew we were finally ready to tell the story about a very special girl named Dru Dragowski and how her lust for super powers goes incredibly awry.

In general we are working on a bunch of books that, at their core, are a blend of fun and serious and are hitting a broader audience than anything we have done before. With *Harley Quinn*, *Starfire* and now *Superzero*, anyone familiar with our writing, including our past books like *Power Girl* and *Terra*, will get that we are creating a world where anything is possible and the normal rules of superhero comics do not always apply!



What fun titles are you reading?

Jimmy: Honestly, I read anything Mike Mignola gets his hands on and love the universe of wild characters he has been bringing us for so long. ***Hellboy*** (*Vol. 1* — AUG128257) is one of my favorite characters out there, and knowing Mike makes it that much better, because I can now hear a voice connected to the character!

Amanda: I am crazy about anything that Terry Moore does. Right now he's writing and drawing a book called ***Rachel Rising*** (*Vol. 1* — JAN120780). It's a real nail-biter! I just love how he brings the characters to life, and once you get attached to them, you never know what's going to happen to them.

Jimmy: ***Love & Rockets*** (*Companion*— NOV121179)... I have every single issue, every collection, all the t-shirts, all the art hardcovers and sketchbooks and even have a collection of the original art by both of the brothers. This was the book that taught me that everything doesn't have to be about super-heroes, and also gave me a look at a culture that was a bit alien to me at first. It's always a gift when I walk into the store and there is a new issue on the stands!
